F0110 Art on Campus Policy

The purpose of this policy is to establish a consistent approach for the selection, installation, display, maintenance, and removal of public art at Western Technical College. All public art must follow this policy.

Western Technical College recognizes that art on campus contributes to a vibrant learning environment, enhances belonging and representation, and supports the mission of the College. The Western Art Collective, a cross-functional group with broad campus representation, is responsible for overseeing the implementation of this policy and accompanying procedure.
