Emergency Medical Technician – Basic Program
Western Technical College

Additional Information

Program Goal
The EMT Basic course emphasizes the development of student skills in patient assessment and examination, the recognition of signs and symptoms of illness and injury, and the use of proper procedures when rendering basic emergency care.

National Registry Examination Statistics
Upon successful completion of the EMT-Basic program, students shall be eligible to take the National Registry of Emergency Medical Technicians practical and written exam to obtain licensure as an EMT within the State of Wisconsin. The performance of Western's EMT graduates are shown below.

Year	Number attempting exam	First attempt pass	Cumulative pass within 3 attempts	Failed all 6 attempts	Eligible for retest
2017	68	79% (54/68)	87% (59/68)	0%	13% (9/68)
2018	54	74% (40/54)	81% (44/54)	0%	19% (10/54)
2019	106	71% (75/106)	77% (82/106)	0%	23% (24/106)
