Course/Class Notes	
Note Nbr.	Note
0001	This is a self-study class. Go to the Math Lab (C-229) during the first week of class to get your assignments. You may be dropped from the class for failure to attend during the first week of the semester. For the math lab hours please go to <a href="http://learn.westernnc.edu/mathlab/">http://learn.westernnc.edu/mathlab/</a> .
0003	This class requires student participation online in addition to being an Interactive Television class. Learn more about Western's online learning resources at <a href="http://www.westernnc.edu/onlinelearning">www.westernnc.edu/onlinelearning</a> . <input type="checkbox"/> If you are enrolling in an online or blended class for the first time, you will be required to complete a series of online training modules prior to the start of the class. Information about this one-time training will be mailed two weeks before the class begins.
0005	This is an Interactive Television class.
0007	This is an accelerated learning class.
0008	This is an online class. Prior to the first week of class, your instructor will send an email to your 'Western' email account with more information regarding the class. Learn more about Western's online learning resources at <a href="http://www.westernnc.edu/onlinelearning">www.westernnc.edu/onlinelearning</a> . <input type="checkbox"/> If you are enrolling in an online or blended class for the first time, you will be required to complete a series of online training modules prior to the start of the class. Information about this one-time training will be mailed two weeks before the class begins.
0009	The following equipment is required for this class: 6" leather work boots, (steel toe preferred but not required), safety glasses, welding helmet, long gauntlet gloves and flame retardant sateens or leathers. These can be purchased at any local supplier selling welding supplies-we recommend a "basic" welding helmet .
0011	Students must provide their own camera.
0013	This is a blended class, which requires student participation online in addition to classroom meeting time. Learn more about Western's online learning resources at <a href="http://www.westernnc.edu/onlinelearning">www.westernnc.edu/onlinelearning</a> . <input type="checkbox"/> If you are enrolling in an online or blended class for the first time, you will be required to complete a series of online training modules prior to the start of the class. Information about this one-time training will be mailed two weeks before the class begins.
0014	Online registration not available. Student must call 608-785-9535 for appointment to register.
0016	Please note mandatory meeting times and dates.
