Course/Class Notes	
Note Nbr.	Note
0001	This is a self-study class. Go to the Math Lab (C-229) during the first week of class to get your assignments. You may be dropped from the class for failure to attend during the first week of the semester. For the math lab hours please go to http://learn.westernc.edu/mathlab/ .
0003	This class requires student participation online in addition to being an Interactive Television class.
0005	This is an Interactive Television class.
0007	This is an accelerated learning class.
0008	This is an online class. Prior to the first week of class, you will receive an email from your instructor. Be sure to check your "Western" email account.
0009	The following equipment is required for this class: 6" leather work boots, (steel toe preferred but not required), safety glasses, welding helmet, long gauntlet gloves and flame retardant satens or leathers. These can be purchased at any local supplier selling welding supplies-we recommend a "basic" welding helmet . □
0011	Students must provide their own camera.
0013	This is a blended class, which requires student participation online in addition to classroom meeting time.
0016	Please note mandatory meeting times and dates.
0017	Students taking this course must have Microsoft Outlook 2007 software and Internet service (high-speed connection strongly recommended).
0130	This class is for Phlebotomy Certificate Students. Days and times of clinical during weeks 9-16 to be arranged with instructor.
0148	This section is reserved for students in the Supervisory Management program. Please contact the instructor for override permission.
0163	If you are enrolling in your first online or blended course, you will be required to complete a series of online training modules prior to the start of the course. Information about this one-time training will be mailed two weeks before course begins.
0164	This class requires some attendance at the La Crosse Campus. Please note meeting times, days/dates, and location.
0166	This section is reserved for students in the Administrative Professional or Office Support Specialist program.
0167	Please contact your instructor regarding clinical time.
0168	This class section is reserved for students in the Accounting, Accounting Assistant and Finance programs.
0181	This class section is reserved for students in the Human Resource Management program.
0182	This class section is reserved for students in the Accounting and Accounting Assistant programs.
0185	This class section is reserved for students in the Business Management program.
0189	This course is offered in an individualized format on Tuesday and Thursday evenings. Lectures are on DVD with instructor support for lab exercises and theory review. (3 credits maximum per semester)
0194	Note: Enrollment in this self-paced section is allowed by special permission only. Please contact the General Studies office at 608-785-9235 to discuss your request to enroll.
0225	This section is reserved for students in the Paralegal program.
0238	10150110 Networking Fundamentals (Cisco 1) and 10150120 Router Technology (Cisco 2) are offered at the Mauston Campus. The remaining Cisco courses are offered only in LaCrosse.
