

# Pathway to Success

## Calculus & Analytic Geometry I

**Prerequisite(s):** ACT 17+ (Reading), ASSET 40+ (Reading), COMPASS 75+ (Reading) or College Reading (77858762) with a C or better **AND** COMPASS 46+ (Trigonometry) OR Math Analysis (20804229) with a C or better OR College Tech Math 2 (10804116) with a C or better.

February 2012

The above diagram shows the pathway you must follow in order to take Calculus & Analytic Geometry I (20804231).

If you score ACT 17+ (Reading), ASSET 40+ (Reading), COMPASS 75+ (Reading) **AND** you score COMPASS 46+ (Trigonometry) then you can take Calculus & Analytic Geometry I (20804231).

If your **reading** scores are lower than listed above, you must pass College Reading (77858762) through the ISS Division and earn a C or better before you can take Calculus & Analytic Geometry I (20804231).

If you do not meet the **math** scores required as a prerequisite, but you score ACT 23+ (Math), ASSET 38+ (College Algebra), COMPASS 46+ (College Algebra), COMPASS 1+ (Trigonometry), then you should take Math Analysis (20804229). You must pass Math Analysis (20804229) with a C or better in order to take Calculus & Analytic Geometry I (20804231).

If your scores are lower than those listed above, but you score ACT 19+ (Math), ASSET 39+ (Algebra), COMPASS 38+ (Algebra), or have been successful on the ALEKS Review, then you can take College Technical Math 1A and 1B (10804113 & 10804114). You then must pass both of those courses in order to take College Tech Math 2 (10804116). Once you pass College Tech Math 2 (10804116) with a C or better, you can take Calculus & Analytic Geometry I (20804231).
