

Intent to Enroll Form
Physical Therapist Assistant Program
Health and Public Safety Division

Please make sure all items have been completed, attached, and/or turned in to: Enrollment Services, (located in the Welcome Center). The Physical Therapist Assistant program has a tiered admission with priority given to applicants having documented completion of General Anatomy and Physiology. You are allowed to submit this Intent to Enroll form **only** if you have completed the requirements listed. Upon completion, schedule an appointment with an Enrollment Services Advisor at (608) 785-9553. To ensure accuracy, please retain copies of each document submitted to Western for your personal records.

€ This is a pre-requisite for taking General Anatomy and Physiology

Name _____

Student ID _____

My signature below signifies that I have completed these program courses as soon as possible:

Yes No

- Completed the program admission requirements.
- Read the online orientation and understand:
 - The specific program requirements (e.g. travel for clinical, purchase of materials, etc.)
 - How to contact program faculty and/or Enrollment Services if I have any questions or concerns.
 - That it is my responsibility to keep my contact information (address/phone number) current with Enrollment Services.

Once I have met with an enrollment services advisor and signed the intent to enroll, I understand I will be on the waitlist for the PTA program. I further understand that having Anatomy and Physiology done at a college level secures my spot on the wait list. Furthermore, I understand that I do not have to take any other courses until I begin the program. I realize that if I choose to take classes while waiting to start the core courses in the program (i.e. any other general education credits, electives, etc...), my debt will increase.

- I have read and I understand the Essential Functions relative to the program.
 - I am able to meet the Program Specifications and do not need any reasonable accommodations to meet those standards at this time.
 - ___ (√) I require the following reasonable accommodation(s) to meet the Program Specifications:
