20806208	Anatomy & Physiology II	4	54	36	10	5	20803211	American History (1607-1865)	3	54	0	6	3
20806209	College Chemistry I	5	72	36	12	6	20803212	American History (1865-Present)	3	54	0	6	3
20806212	College Chemistry 2	5	72	36	12	6	20803225	The World in the 20th Century*	3	54	0	6	3
20806234	General Biology	4	54	36	10	5	20803214	Native American History*	3	54	0	6	3
20806290	Introduction to Energy	4	54	36	10	5	20805227	Music Appreciation	3	54	0	6	3
10806154	General Physics	4	54	36	10	5	20809223	Introduction to World Religions*	3	54	0	6	3
Non Lab Science							20809260	Introduction to Philosophy	3	54	0	6	3
20806280	Environmental Issues	4	72	0	8	4	20809265	Philosophy of the Arts	3	54	0	6	3
Health & Wellness (Minimum of 1 Credits)							20815200	Art History: Prehist. to Medieval	3	54	0	6	3
20807200	Fitness Fundamentals	1	0	36	4	2	20815210	Art History: Renaissance to Modern	3	54	0	6	3
20807202	Total Fitness	1	0	36	4	2	Global Studies & Languages (Minimum of 3 Credits)						
20807266	Wellness Today	3	36	36	8	4	20802211	Spanish 1	4	72	0	8	4
20807210	Weight Training	1	0	36	4	2	20802212	Spanish 2	4	72	0	8	4
Totals							20809223	Introduction to World Religions*	3	54	0	6	3
Total Credits							20803225	The World in the 20th Century*	3	54	0	6	3
Occupational Specific Credits							Electives ONLY (Minimum of 12 Credits) - Any 20-						
Occupational Supportive Credits							10804118	Intern Algebra w Apps	4	72	0	8	4
Elective Credits							10660115	DC/AC 1	3	36	36	8	4
General Studies/AAS Credits							10660116	DC/AC 2	3	36	36	8	4
Technical Studies/AAS Credits							10662105	Advanced Circuits	3	36	36	8	4
							20890206	Study Abroad Experience	2	36	0	4	2

Program Description:

Western's University Transfer programs are equivalent to the first- and second-year general education courses offered at traditional universities. Our Associate of Science program prepares you for Bachelor of Science programs in the University of Wisconsin System as well as many other four-year transfer partners.

General education courses include English, math, science, history, social sciences, the humanities, and health and wellness courses. You could save 40 percent by taking these AS degree courses at Western before transferring to a four-year program of study in the natural and physical sciences or social sciences!
