# Start at Western. Thrive at Viterbo.

## Co-Admission Guarantees You \$16,000 a Year at Viterbo

Western students succeed at Viterbo, and we want you to have that same advantage. When you choose co-admission and are admitted to Viterbo, you're guaranteed at least \$16,000 per year in financial aid for up to three years when you transfer. It's our way of investing in your goals and making a Viterbo bachelor's degree more affordable than ever.

## Co-Admission Made Easy

With Viterbo + Western Co-Admission, you're officially a student at both schools from day one. That means you get the support, community, and opportunities of a four-year university while completing your start at Western. And when you're ready, transferring to finish your bachelor's degree at Viterbo is seamless.

**Please note:** Co-admission is for traditional daytime programs; bachelor-completion programs are not included.

You get all the perks of being a Viterbo student now:

- Your own Viterbo student ID

## Why Finishing Your Bachelor's at Viterbo Matters

**Higher earnings:** Students who complete a bachelor's degree earn significantly more over their lifetime compared to those with only an associate degree. Starting at Western and finishing at Viterbo sets you up for long-term success.

**Higher happiness:** National studies show that students who choose a religious, values-based four-year university report higher levels of overall well-being, satisfaction, and purpose.

**Support that sticks:** At Viterbo, you're known by name, supported by faculty who care, and part of a community focused on your growth academically, personally, and professionally. That support is also a big reason why Viterbo students have consistently achieved a 98% job and graduate school placement rate over the last 10 years.
