ISSUE PAPER

Topic: Authorize the Tax Levy for the 2023-24 Budget

Issue:

Wisconsin Technical College System Code 7.05 states that the District Board must adopt its budget for the forthcoming year on or before June 30 of each year. The Board adopted the 2023-24 budget on June 20, 2023.

Following receipt of the equalized valuation from the Wisconsin Department of Revenue, the Board must set its tax levy for the current year by October 31, or within ten days after receipt of the equalized valuation, whichever is later.

Prior to establishing the tax levy, the anticipated financial resources available to the District for operations should be reviewed. The percentage increase in the operational tax levy increase may not exceed the percentage increase of net new construction.

The following is a comparison of June 2023 budgeted figures to actual figures for equalized valuation, tax levy, and mill rate, along with a resolution setting the tax levy.

At the time the District adopted its 2023-24 budget, the assumption was made that the equalized valuation would increase by 6.00% and net new construction would increase 1.50%. Actual equalized valuation increased by 11.15% and net new construction increased 1.46%.

The operating levy as presented meets the requirement of Wisconsin Act 145 and the debt levy as presented is within the announced targets following the November 2012 Vision 2020 facilities referendum.

Actual 2023-24 equalized valuation Estimated 2023-24 equalized valuation \$ 29,848,141,322 (TID out) 28,464,946,355

Recommendation: The District set the tax levy for operation at \$12,298,162 (mill rate 0.41202) and set

the tax levy for **debt** at \$18,191,000 (mill rate 0.60945) for a **total levy of**

\$30,489,162 (mill rate 1.02148).

Adopt the Resolution to Authorize Tax Levy for the 2023-24 Budget as presented.

District Board Equity Commitment

Events around our nation remind us yet again of the work that remains to create a more just and equitable society. As a Board, we acknowledge the hurt, frustration, and anger felt by countless Americans, especially Americans of color. We hurt with those who are hurting, and we stand, in particular, with black members of our communities during this difficult time. At Western Technical College, we pledge to lean into our College values of diversity, integrity, teamwork, and respect. As a Board, we are committed to our advocacy for and support of Western's strategic goals to increase the enrollment of students of color and to eliminate achievement gaps among black, Hispanic, and indigenous students. We acknowledge structural racism and systemic poverty contribute to these gaps, and we pledge to continue to support programs and policies that ensure access to higher education for all students. We embrace the imperative to learn from experiences, history, cultures, values, beliefs, and views different from our own and to lead with empathy and compassion. Change starts with each of us, and we pledge to hold ourselves and each other accountable in this critically important work.
