## OFFICE SPECIALIST CERTIFICATION EXAM PREP

**Tuesdays, December 6, 13, 20, 2022, 8:00am noon**

**Investment: \$269/includes materials, exam, and one exam retake.**

This course is intended to prepare participants for the MO-200 Microsoft Excel exam. This course offers enrollment with or without vouchers. The vouchers are prepaid access to sit for the certifying exams upon eligibility. Each voucher comes with one exam retake.

### **Skills Validation**

The Microsoft Excel Certification validates a professional's abilities to work with MS Excel applications and tools.

### **Global Recognition**

The Microsoft Excel Certification is recognized globally and benefits the candidate with better recognition and competitive edge over non-certified professionals.

### **Proven Competency**

Individuals earning these certifications have hands-on experience with the product and a proven competency at an industry level.

## MO-200 Microsoft Excel Exam

Western Technical College is now a Microsoft Office Excel Associate exam provider. Exams are offered on a pre-scheduled basis. Western Technical College reserves the right to limit examinees in each session. To register for your exam session, please call 608.785.9232. Exam sessions must be paid in full prior to scheduling an exam time.

For more information, please call 608.785.9232 or e-mail [bis@westerntc.edu](mailto:bis@westerntc.edu)
