

Direct PLUS Loans are federally guaranteed loans available to parents of dependent undergraduate students. Western requires that all students complete the Free Application for Federal Student Aid (FAFSA) to determine eligibility for federal and state assistance. Additional Direct Unsubsidized Stafford Loan may be available to a student whose parent has been denied the PLUS Loan only if they have completed a **2018-2019** FAFSA.

PLUS Application Process:

- **Student:** Complete the entire Financial Aid Process (see www.westerntc.edu/financialaid for details)
- **Parent:**
 - Return this form to Western's Office of Student Financial Aid
 - **Important Note:** *The parent who completes this PLUS Loan Request Form is the parent who must also complete the Loan Agreement (MPN)*
 - Complete the Loan Agreement for a PLUS Loan (MPN) at www.studentloans.gov
 - Completing the Loan Agreement authorizes a credit check for current and future PLUS loan requests for your student
 - Parent borrowers will receive notification from Direct Lending of their approval or denial (due to adverse credit).
If adverse credit is determined, loan counseling can be completed to override the credit decision. Parents will be made aware of this at the time the Master Promissory Note (MPN) is completed. The loan counseling can be completed at www.studentloans.gov
 - If you would like to defer PLUS loan payments, contact the Direct Loan Servicing Center at www.studentloans.gov

LOAN INFORMATION:

When determining the amount to request in the PLUS Loan, parents should consider the estimated cost of attending Western, and the amount of other financial aid (including the Stafford Loans) your student has been awarded. Stafford Loans, even the unsubsidized portion, carry a lower interest rate than the Direct PLUS Loan. Please visit the Student Loan Center at www.westerntc.edu/financialaid for more information.

Western will process the maximum requested loan amount that fits within the student's budget. If any Federal Work-Study eligibility is not being used it will be reduced or canceled in order to process your loan at the highest level requested. When requesting an amount to borrow it is important to plan for both Fall and Spring semesters.
