2018-2019 Independent Verification Worksheet

Your application was selected by the Department of Education for review in a process called “Verification.” In this process, the Western Technical College Office of Student Financial Aid will compare information from the FAFSA application, using the IRS Data Retrieval information, copies of you and your spouse’s (if applicable) 2016 Federal Tax Return Transcript, W-2 forms, and other financial documents. The law says we have the right to ask you for this information before awarding Federal Aid. If there are differences between your application information and your financial documents, we may have to make electronic corrections to your application to have your information reprocessed. Complete this verification form and submit it to the Office of Student Financial Aid at Western as soon as possible so that your financial aid won’t be delayed.
