2018-2019 Transfer Monitoring Worksheet

When you completed the *Online Information Request*, you indicated that you attended another college or university during the 2018-2019 school year. Students are eligible to receive aid from different colleges and universities during the same academic year, but not within the same term. The Federal Pell Grant, Direct Subsidized Loans, and Direct Unsubsidized Loans all have annual maximums that students can receive. In order to correctly award you, please include the name of any colleges or universities that you attended between May 2018 – present. **Do not include any colleges or universities that you WILL be attending AFTER Western Technical College.**

Name of college or university attended	Dates attended	Awarded Financial Aid
1. _____	_____	<input type="checkbox"/> Yes <input type="checkbox"/> No
2. _____	_____	<input type="checkbox"/> Yes <input type="checkbox"/> No

☐ I did NOT attend another college or university between May 2018- present.

If you fail to indicate that you received financial aid from another college or university between May 2018 and present and are awarded over your maximum annual budget, you will be required to repay the amount you were over awarded. Western Technical College submits all students to the Department of Education for Transfer Monitoring. We will be notified of any financial aid received at another college or university once aid disburses, at which time, an adjustment will be made to your award package and any overpayment will need to be repaid.

By signing this form, you agree to and understand the above terms. If you have any questions, please contact the Office of Student Financial Aid at 608.785.9579 or at finaid@westernnc.edu.
