

# Western Technical College

FINANCIAL AID

## Appeal Denied

You are currently not eligible for financial aid at Western due to previous issues with maintaining Satisfactory Academic Progress (cumulative GPA of 2.0 AND cumulative completion percentage of 67%).

To become eligible, you must pay for and successfully complete at least six (6) credits in a term and pay without the benefit of financial aid. Once you have done this, contact Western's Financial Aid Resources and Planning Services at [finaid@westernnc.edu](mailto:finaid@westernnc.edu) to inform them so your record can be reviewed for possible eligibility going forward.
