2022-2023 Dependent Verification Worksheet

Your application was selected by the Department of Education for review in a process called "Verification." In this process, the Western Technical College Office of Student Financial Aid will compare information from the FAFSA application, using the IRS Data Retrieval information, copies of you and your parent(s) 2020 Federal 1040 Income Tax Return, 2020 Schedules 1-3, W-2 forms, and other financial documents. The law says we have the right to ask you for this information before awarding federal aid. If there are differences between your application information and your financial documents, we may have to make electronic corrections to your application to have your information reprocessed. Complete this verification form and submit it to Financial Aid Resources and Planning Services at Western as soon as possible so that your financial aid will not be delayed.
