## Documentation of Emancipated Minor

When you completed the Free Application for Federal Student Aid (FAFSA), you answered yes to being an emancipated minor. Please provide documentation of the court's decision to us. Please be aware, Wisconsin does NOT allow the ruling of emancipated minor. Documentation must be provided from a state that does.

If you answered this question incorrectly, please log back into your FAFSA, change the answer to the question regarding emancipated minor to "no." Continue through the FAFSA application, adding any additional information that needs to be provided (which may include parental information).

If you need assistance in making this change, please contact Financial Aid Resources and Planning Services.
