## 2023-2024 Private Scholarship Notification Form

Student's Name \_\_\_\_\_

Student ID/SSN \_\_\_\_\_

| Name of Scholarship(s) or resource(s) | Fall Amount | Spring Amount | Summer Amount | Total | Financial Aid Use |
|---------------------------------------|-------------|---------------|---------------|-------|-------------------|
|                                       |             |               |               |       |                   |
|                                       |             |               |               |       |                   |
|                                       |             |               |               |       |                   |
|                                       |             |               |               |       |                   |
|                                       |             |               |               |       |                   |
|                                       |             |               |               |       |                   |
|                                       |             |               |               |       |                   |

If you learn of additional scholarships or educational resources you will be receiving after you have returned this form, you must notify us in writing.

*Note: If you have already received an aid package and the resource(s) above was not included in that package, your eligibility for federal, state, and institutional aid will be re-evaluated. In compliance with federal and state regulations, your aid package may be revised. Please review your MyFinAid account periodically for changes, if applicable.*
