

EDUCATING TOMORROW'S TEACHERS ACADEMY

2026-2027 SCHOOL YEAR

Dates: Fall Term (September 8 - December 18, 2026)
Spring Term (January 11 - April 24, 2026)

The ETT academy is designed to address the local shortage of teachers and paraeducators. This program gives high school students the opportunity to earn credits towards education pathways and gain hands-on experience in education.

Pathway Opportunities

Students completing the ETT Academy can be on track to earn:

- Education Assistant Technical Diploma
- Foundations of Teacher Education Associate Degree (with options to continue to a 4-year teaching degree)

Extra Opportunities

Students will also have the option to enroll in Practicum 1 (3 credits). As part of the academy, students will have a placement in their home district to apply knowledge and skills. Hours from that placement can be used to meet the competencies of Practicum 1.
