

HEALTH SCIENCE ACADEMY

Fall Term—MAUSTON LOCATION

This academy is ideal for focused, goal-driven juniors and seniors exploring careers in health sciences or nursing. Students can save nearly a semester of time in earning an associate degree. The 2025-2026 academy will be held at the Mauston RLC.

COURSES OFFERED

Term	Course	Credits
Fall S1	Certified Nursing Assistant	2
Fall S2	Developmental Psychology	3
Fall 15 weeks	General Anatomy and Physiology	4
	Total Credits	9

2026 SCHOOL YEAR:

Fall Term—Mauston Regional Location

Dates: First 7-Week Session (Sept 8th - Oct 23rd, 2026)

Second 7-Week Session (November 2nd - Dec 18th, 2026)

The Health Science Academy gives high school juniors and seniors the chance to earn 9 college credits toward one of Western's Health associate degree programs and explore healthcare careers.
