Luther High School
KEEPING CHRIST IN HIGH SCHOOL EDUCATION

_____

Luther High School Fall Transcripted Credit Courses

Western Course Title	Credits	Teacher	Luther High School Course Title
Basic Industrial Controls	2	Gjestvang	Introduction to Industrial Control Systems
Introduction to Mechatronics	2	Gjestvang	Intro to Mechatronics
Intro to Industrial Robotics	2	Gjestvang	Intro to Industrial Robotics
Intro to the Industrial Internet of Things		Gjestvang	Intro to the Industrial Internet of Things
Video Production 1	3	Schibbelhut	Digital Video 1
Video Production 2	3	Schibbelhut	Digtial Video 2

Course Pathways at Western:

Basic Industrial Controls

Electromechanical Technology   Electromechanical Maintenance Technician

Industrial Machine Controls   Mechatronic & Robotic Engineering Technology

IoT Integration Specialist

Introduction to Mechatronics

Electromechanical Technology   Electromechanical Maintenance Technician

Industrial Machine Controls   loT Integration Specialist

Mechatronic & Robotic Engineering Technology

Intro to Industrial Internet of Things

IoT Integration Specialist

Intro to Industrial Robotics

Mechatronic & Robotic Engineering Technology   Robotic Programming

Video Production 1 & 2

Digital Media Production
