

2025-26 Special Circumstance Form

Student Name: _____ Student ID#: _____

This form should be used to explain changes in your family situation, or to explain special situations that are not captured in the Free Application for Federal Student Aid (FAFSA) form that you have previously submitted for this year. Sec. 479A of the Higher Education Act of 1965, as amended, authorizes Financial Aid Resources and Planning Services office to use professional judgment, on a case-by-case basis, for students with “**special circumstances**” that affect a family’s ability to pay for a college education.

Examples of special circumstances include a reduction in income or benefits due to layoff, business closure or job change, unusually high medical and dental expenses paid out of pocket, or unusual circumstances not covered in the FAFSA.

Examples of **ineligible** circumstances include car payments, credit card debt, medical insurance premiums, mortgages, or rent, Chapter 7 personal bankruptcy, home equity loans, parents not helping with college costs.

The Manager of Financial Aid Resources and Planning Services is expected and required to make reasonable decisions that support the intent of the provision. The school is held accountable for all professional decisions made and for fully documenting each decision. The decision of the Manager is final; there is no appeal process to the U.S. Department of Education.

Please note that this form does not guarantee that your request will be approved, or that you will be eligible for additional aid. In some cases, professional judgment adjustments made to the FAFSA do not result in significant changes to the Student Aid Index (SAI) and, therefore, do not change a student’s financial aid package.

Follow the steps below and return this form with the appropriate documentation to the address above or email it to grandallj@westerntc.edu. Notification of the decision by the Financial Aid Resources and Planning Services Manager will be sent to the student’s email address.
