Cohort Memorandum of Understanding

This Cohort Memorandum of Understanding ("MOU") is entered into between the University of Phoenix, Inc. ("University") and Western Technical College (School), as of the date both parties have signed this MOU ("Effective Date").

The parties agree as follows:

- 1. Cohort Participants:** School shall provide scheduled groups of employees and/or students who obtain an Associate's Degree from School after the effective date of this MOU ("Eligible Students") that will commence a designated degree program as more fully described in this MOU (hereinafter referred to as a "Cohort" or "Cohorts").
- 2. Statement of Work:** The University will complete the information in the Sample Statement of Work set forth in Exhibit A which once complete shall be attached to this MOU as a Statement of Work ("SOW") and incorporated herein by this reference. The parties agree that no additional action between the parties is required for any new SOW. Accordingly, the University will offer the programs set forth in each SOW (hereinafter "Programs") to School as more fully described below. Unless expressly stated otherwise in the SOW, if there is a conflict between this MOU including any addendums and any SOW, the terms and conditions in this MOU shall govern the parties' obligations.
- 3. Classes:** During the term of this MOU, University will provide all of the courses necessary for a Cohort to complete the degree programs listed in each SOW. Each Cohort shall have a minimum of fifteen (15) students. The University shall have no obligation to offer any Cohort unless the minimum number of students for enrollment has been confirmed. In the event that the minimum enrollment falls below fifteen (15) students, students shall take the scheduled course, or applicable equivalent course, at another University campus learning center or online. All students in the Cohort will attend the same classes in the same course sequence in the same modality. Applicable tuition and rEsource™ fees will be determined based on the campus learning center location or online.
- 4. Information to Prospective Students:** University will provide information as to the admission requirements, required course of study, costs, expected time commitment, and other information a prospective student may find useful in selecting and applying for a course of study. University will make such presentation at no cost to School or any prospective student.
- 5. Admissions Evaluation:** All Cohort students are subject to the University's admission policies and all other policies and procedures as set forth in the University's Student Handbook. The University will evaluate applications for admission in accordance with its usual standards for admissions.
- 6. Provision of Educational and Administrative Services:** Notwithstanding any other provision of this MOU, the University's relationship with its students as well as any other matter concerning the provision or delivery of educational or administrative services to such students, regardless of whether such students are School's employees, Eligible Students, or otherwise, shall be governed pursuant to the terms of the University's policies and procedures then in effect, including, but not limited to, those published in the applicable University Catalog. In the event such policies and procedures do not resolve a particular educational or administrative matter, including, but not limited to, those matters which may arise out of or relate to the provision or delivery of educational or administrative services, University shall have the right to determine the resolution of such issues in the University's sole discretion.
- 7. New Student Orientation:** University will provide a new student orientation to students who are accepted for a Cohort. The orientation will be held at the nearest campus learning center or online. Such orientations will include information regarding the University's Code of Conduct and expected course schedule for completion of the program degree sought.
- 8. Faculty/Academic Standards:** Each University faculty member shall have the following credentials and experience as a faculty practitioner: (a) holds a doctoral or master's degree; (b) currently works in the field(s) of instructional assignments; (c) holds current and unencumbered state license and national certifications as required in his/her profession; and (d) is knowledgeable of and incorporates in each course up-to-date proven theories and techniques.
- 9. Class Scheduling:** Any temporary change(s) in course schedule, such as a weeknight change due to a holiday, must meet University policy standards within the same week, be agreed upon by all School's employees enrolled in the course, and documented with a change of schedule form approved by the University Director of Academic Affairs.
- 10. Cohort Size:** School shall provide a minimum of fifteen (15) students for each Cohort. The University shall have no obligation to offer any Cohort unless the minimum number of students for enrollment has been confirmed. All students in the Cohort will attend the same classes in the same course sequence in the same modality.
- 11. Student Payment Policies and Fees:** It is the responsibility of students to purchase at their expense, all required texts and materials including rEsource™ and to pay all applicable tuition and University fees as listed in the University Catalog. Unless expressly set forth herein, Students are ultimately responsible for payment of all charges incurred as well as all financial policies and fees detailed in the University Catalog.

12. **Termination of Cohort:** If for any reason, this MOU or any SOW is terminated and the Cohort is canceled, students may complete their program at another campus location or online depending upon location and modality. Not all programs are available at all locations or in all modalities. Students will be responsible for the tuition and fees associated with such location or modality.
13. **Student Acknowledgements:** Students will be required to sign an MOU as set forth in Exhibit B acknowledging the terms of enrollment for the Cohort.
14. **Marketing:** School will provide the opportunity for University to inform students of this opportunity. Subject to prior written approval, each party grants the other party the right to use the other party's name and logo for purposes of this MOU only.
15. **Confidentiality:** School agrees that it will not disclose the terms of this MOU to any unrelated third party without the University's prior written consent.
16. **General Provisions:** This MOU does not create any rights, title, or interest for any person or entity other than School or the University. Each party acknowledges that the relationship with the other is that of an independent contractor and nothing in this MOU shall be construed to create a partnership, joint venture, or agency relationship between the parties. If University believes that this MOU might violate any law or regulation, adversely affect its accreditation, or its license or exemption issued by a Federal or State educational board or commission, University may immediately terminate the MOU upon written notice to School.

Each party agrees to abide by all applicable Federal and State laws. This MOU shall be governed by and construed in accordance with the laws of the State of Arizona without reference to conflict of laws principles. Jurisdiction for any claim, dispute, or lawsuit shall be Maricopa County, Arizona.
