

Appendix C: Transfer Guide
between
Western Technical College and Grand Canyon University

Associate of Applied Science in Respiratory Therapist- Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care

The following table outlines the requirements needed to receive an Associate of Applied Science in Respiratory Therapist from Western Technical College. Within the table we have identified preferred courses from Western Technical College that will be applicable towards Grand Canyon University's Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care. The following will be used in assessing official transcripts.

Western Technical College – Associate of Applied Science in Respiratory Therapist	Credits	Grand Canyon University – Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care	Credits
10501101 – Medical Terminology	3	General Elective	3
10804107 – College Mathematics	3	General Education: Critical Thinking	3
10806177 - General Anatomy and Physiology (A & P)	4	BIO-202 & 202L: Human Anatomy and Physiology II OR General Education: Critical Thinking	4
10809172 - Race, Ethnic and Diversity Studies	3	General Education: Global Awareness, Perspectives, and Ethics	3
10515111 - Respiratory Survey	3	General Elective	3
10809188-Developmental Psychology	3	PSY-357: Lifespan Development (4 credits) OR General Education: Global Awareness, Perspectives, and Ethics	3
10806197 - Microbiology	4	BIO-205: Microbiology	4
10801198 - Speech	3	General Education: Effective Communications	3
10801195 – Written Communication	3	General Education: Effective Communications	3
10515174 – Respiratory/Cardiac Physiology	3	General Elective	3
10515175 – Respiratory Clinical 1	2	General Elective	2
10515178 – Respiratory Clinical 2	3	General Elective	3
10515179 – Respiratory Clinical 3	3	General Elective	3
10515176 – Respiratory Disease	3	General Elective	3
10515173 – Respiratory Pharmacology	3	General Elective	3
10515171 – Respiratory Therapeutics 1	3	General Elective	3
10515172 – Respiratory Therapeutics 2	3	General Elective	3
10515181 – Respiratory/Cardio Diagnostics	3	General Elective	3
10515112 – Respiratory Airway Management	2	General Elective	2
10515182 – Respiratory Clinical 4	3	General Elective	3
10515183 – Respiratory Clinical 5	3	General Elective	3
10515113 – Respiratory Life Support	3	General Elective	3
10515180 – Respiratory Neonatal/Pediatric Care	2	General Elective	2

Total Transfer Credits from A.A.S. in Respiratory Therapist – Western Technical College	68 semester credits
Remaining Credits Required for B.S. in Health Sciences: Professional Development and Advanced Patient Care - Grand Canyon University	52 semester credits
Total Credit Hours Needed to Complete Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care	120 credits

*To obtain a baccalaureate degree at Grand Canyon University, a student must earn a minimum of 36 semester credits in upper division (300 or above) courses.

Articulation Agreement (Undergraduate)
between
Western Technical College
and
Grand Canyon University

Grand Canyon University ("GCU") hereby establishes an Articulation Agreement to facilitate students' transfer from Western Technical College to Undergraduate Programs at GCU.

I. Purpose

A. This Articulation Agreement formally recognizes that Western Technical College is committed to providing greater educational opportunities and services for students and GCU is committed to providing greater educational opportunities and services for students who transfer. This commitment strongly supports the concept of seamless transfer that embraces the principle that transfer students should not be required to repeat competencies already demonstrated.

B. The purpose of this collaboration is to facilitate the matriculation of Western Technical College students to an academically challenging baccalaureate degree through Grand Canyon University.

C. Grand Canyon University enters into this Articulation Agreement in the spirit of recognizing Western Technical College as a quality institution with a history of demonstrated excellence delivering high quality educational programs. Each institution, furthermore, was and is dedicated to serving students from all walks of life, regardless of race, ethnicity, sex, disability, color, age, marital status, or national origin.

D. Through ongoing communication with Western Technical College graduates, GCU will better understand the needs of students who are transferring and cooperate in responding to these needs.

II. TRANSFER ELEMENTS

A. Treatment of Associate Degrees and General Education Core as Admission Criteria

1. This Articulation Agreement establishes the principle that all applicable Associate Degrees at Western Technical College transfer to GCU, allowing Western Technical College Associate degrees to combine with GCU's baccalaureate degree. Credits are accepted and applied toward the designated/appropriate college degree(s). Articulated Associate degrees will be identified, maintained, and available as Appendix A to this Articulation Agreement.

2. Western Technical College graduates with a minimum cumulative GPA of 2.0, courses numbered 100 and above, entering under the terms of this Articulation Agreement are guaranteed admission into the University. Students should be advised that some degree programs at GCU, specifically the Registered Nurse to Bachelor of Science in Nursing (RN to BSN) program, requires a 2.8 or higher GPA for admission. To be considered for this program, students must possess a current unencumbered, unrestricted license as a registered nurse in the state where they are employed as an RN. Programs in the College of Health Sciences, College of Nursing, and College of Fine Arts and Production may require college-specific admission requirements. Program admission criteria are available in the GCU Policy Handbook.

3. Western Technical College graduates will follow GCU's transfer process and, therefore, must meet all applicable requirements and deadlines pertaining to application for admission, advising, registration, length of program availability, and payment of tuition and fees. They will abide by the policies and procedures, along with any revisions thereof that apply to all students from that institution.

4. In order to complete the baccalaureate program in a timely manner, students are advised to follow the Transfer Guide for the academic program they plan to pursue at GCU (See Appendix C). If the student intends to change degree focus upon admission to GCU, the student may be required to complete some lower division preparation work prior to beginning the program at GCU.

B. Treatment of Western Technical College Coursework

Students who transfer to GCU with less than an Associate Degree and have not completed the General Education requirements will complete their General Education requirements at GCU. However, if these students have taken equivalent General Education courses at Western Technical College, these courses will be accepted toward satisfying General Education requirements at GCU (See Appendix B).

C. Total Number of Transferable Credits

The determination of how many credit hours GCU may accept from Western Technical College programs is subject to accreditations and regulatory requirements. GCU agrees to provide an Articulation Agreement for Western Technical College Associate Degrees. A maximum of 90 hours of transfer credit, no more than 84 credits of which can be lower division, can be applied to an undergraduate program at GCU. After GCU evaluates the student's transfer credits, GCU will only apply those transfer credits that fulfill program requirements including general education, electives, and, with college approval, courses in the program major.

D. Evaluation Process

There will be an annual evaluation of the partnership supported by this Articulation Agreement. The information obtained from this evaluation will be used to improve the transfer process for the benefit of students.

III. OTHER ITEMS RELATED TO THIS ARTICULATION AGREEMENT

A. Internship and Work Study Agreements

If applicable to the students program GCU will endeavor to provide internship and work-study opportunities for Western Technical College transfer students. These opportunities will be based on availability and students must be enrolled in a course to be considered eligible. It is understood that internship and work-study employment decisions are made by the employers, not GCU. Also, applicable U.S. Federal Regulations, INS guidelines and all other laws and regulations will be followed.

B. Creating and Distributing GCU Materials

All GCU-related printed and media materials created by Western Technical College shall be approved by GCU prior to their use.

C. Longevity of the Articulation Agreement

This Articulation Agreement shall be effective immediately upon approval and shall continue in force and effect until terminated by Grand Canyon University or Western Technical College. Termination shall occur upon written notice by the Office of the Chief Academic Officer/ Provost at Grand Canyon University. Either party may terminate this Articulation Agreement with a 45 day written notice. In the event of termination, GCU agrees to ensure students currently enrolled in a program under this Articulation Agreement will be given the opportunity to complete their degree with GCU.

D. Opportunities to Expand the Articulation Agreement

GCU may choose to expand this Articulation Agreement as mutually beneficial opportunities are presented or in response to the needs that are identified.

IV. RESPONSIBILITIES OF GCU

GCU will provide enrollment counseling and/or academic advising to Western Technical College students. Additionally, GCU will provide materials, catalogs, and other information to Western Technical College students to facilitate their understanding of University requirements and academic programs.

GCU may place Western Technical College students, interested in attending GCU, on its mailing list and invite the students to participate in cultural events, social activities, and presentations open to the public.

V. JOINT RESPONSIBILITIES

Western Technical College and GCU agree to exchange data and documents as agreed that will contribute to the maintenance and improvement of these transfer arrangements, and promote effective cooperation between the two institutions. The Federal Family Educational Rights and Privacy Act (FERPA) governs the disclosure of information about students. The institutions will exchange admissions, grades, and retention date after obtaining appropriate permission from the students involved and in compliance with all federal, state, and local guidelines.

In collaboration with Western Technical College, the development, distribution, and accuracy of all transfer articulation products (e.g., Transfer Guide) are the responsibility of GCU.

Western Technical College- Wisconsin and Grand Canyon University

Associate of Applied Science in Radiography- Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care

The following table outlines the requirements needed to receive an Associate of Applied Science in Radiography from Western Technical College- Wisconsin. Within the table we have identified preferred courses from Western Technical College- Wisconsin that will be applicable towards Grand Canyon University's Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care. The following will be used in assessing official transcripts.

Western Technical College- Wisconsin – Associate of Applied Science in Radiography	Credits	Grand Canyon University – Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care	Credits
10526158 – Introduction to Radiography	3	General Elective	3
10526159 – Radiographic Imaging 1	3	General Elective	3
10526149 – Radiographic Procedures 1	5	General Elective	5
10526168 – Radiography Clinical 1	2	General Elective	2
10804107 – College Mathematics	3	General Education: Critical Thinking	3
10806177 – General Anatomy and Physiology (A & P)	4	BIO-202 & 202L: Human Anatomy and Physiology II OR General Education: Critical Thinking	4
10526170 – Radiographic Imaging 2	3	General Elective	3
10526191 – Radiographic Procedures 2	5	General Elective	5
10526192 – Radiography Clinical 2	3	General Elective	3
10801195 – Written Communication	3	ENG-105: English Composition I	3
10526193 – Radiography Clinical 3	3	General Elective	3
10809172 – Race, Ethnic and Diversity Studies	3	General Education: Global Awareness, Perspectives, and Ethics	3
10526194 – Imaging Equipment Operation	3	General Elective	3
10526196 - Modalities	3	General Elective	3
10526195 – Radiographic Quality Analysis	2	General Elective	2
10526199 – Radiography Clinical 4	3	General Elective	3
10801198 - Speech	3	General Education: Effective Communications	3
10526197 – Radiation Protection and Biology	3	General Education: Critical Thinking	3
10526189 – Radiographic Pathology	1	General Elective	1
10526190 – Radiography Clinical 5	2	General Elective	2
10809198 – Introduction to Psychology	3	PSY-102: General Psychology OR General Education: Global Awareness	3
10809196 – Introduction to Sociology	3	SOC-102: Principles of Sociology OR General Education: Global Awareness, Perspectives, and Ethics	3
10526174 – ARRT Certification Seminar	2	General Elective	2
10526198 – Radiography Clinical 6	2	General Elective	2
Minimum Credits Required for A.A.S. in Radiography at Western Technical College- Wisconsin			70
Total Credits Applied Towards Grand Canyon University's Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care			68

The following table outlines the requirements needed to receive a Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care from Grand Canyon University.

Course #	Grand Canyon University – Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care	Semester Credits
General Education Requirements		
UNV-303	University Foundation	4
CWV-301	Christian Worldview	4
MAT-134	Applications of Algebra	4
ENG-106	English Composition II	4
Program Major Requirements		
HLT-307V	Professional Dynamics and Allied Health Professionals	3
HLT-308V	Risk Management and Health Care Regulations	3
HLT-313V	Safety, Quality, and Interdisciplinary Approaches to Care	3
HLT-362V	Applied Statistics for Health Care Professionals	3
HLT-324V	Transcultural Health Care	3
HLT-310V	Spirituality in Health Care	3
HLT-418V	Trends and Issues in Health Care	3
HLT-314V	Health Care Systems	3
HLT-312V	Ethics for Health care Professionals	3
HLT-317V	Communication and Application of Research in Practice	3
AMP-450V	Leadership and Vocation	3
HLT-490V	Professional Capstone Project	3
Total Credits Completed at Grand Canyon University		52

Total Transfer Credits from A.A.S. in Radiography – Western Technical College-Wisconsin	68 semester credits
Remaining Credits Required for B.S. in Health Sciences: Professional Development and Advanced Patient Care - Grand Canyon University	52 semester credits
Total Credit Hours Needed to Complete Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care	120 credits

*To obtain a baccalaureate degree at Grand Canyon University, a student must earn a minimum of 36 semester credits in upper division (300 or above) courses.
