

## **12-1 System-wide Articulation Agreement Cover Page**

**Instructions:** The originating college (OC) must complete this cover page and attach to the system-wide articulation agreement packet before submitting to the WTCS System Office.

It is the responsibility of the originating college to review and update the agreement by the listed renewal date and submit any changes to the WTCS office. Any changes must be reviewed by the colleges who signed the original agreement.

Please submit to [programs@wtcsystem.edu](mailto:programs@wtcsystem.edu) when complete; the System Office is responsible for collecting ISA signatures.

Title of Program: Business, Leadership, Technical Foundations, Applied Technology Programs

Program Number: \_\_\_\_\_

Postsecondary Partner College: University of Wisconsin-Stout

Originating College: Chippewa Valley Technical College

Effective Date: 09/01/2025

Renewal Date: 09/01/2030

Date of Instructional Services Meeting: 03/06/2025

**TRANSFER ARTICULATION AGREEMENT**  
between  
**University of Wisconsin–Stout**  
and  
**Colleges of the Wisconsin Technical College System**  
in  
**B.S. Business Information Technology**

Developed to provide a transfer friendly and career focused program, this B.S. Business Information Technology transfer agreement is a collaborative effort between Colleges of the Wisconsin Technical College System and the University of Wisconsin-Stout.

The 120-credit B.S. Business Information Technology degree has a 40-credit Stout Core (i.e., general education) requirement, a 9-credit Business and Leadership Fundamentals Core, a 39-41 credit Technical Foundations and Applied Technology Core, and 30-32 credits in electives that can be used to streamline the transfer process and/or complement the core program courses.

General Education courses offered as a part of the A.A.S. program at the WTCS colleges in the categories of Communication Skills, Arts and Humanities, Social and Behavioral Sciences, Math, and Science areas may also transfer and be used towards the UW-Stout receiving program. These applicable courses have been pre-determined as to their transferability in Transferology. Those that have not been pre-determined may be considered on a case-by-case basis after a review of course syllabi through the transfer equivalency process.

A student from a qualified A.A.S. degree program will typically transfer 16-20 credits into UW-Stout's Stout Core and the full 30-32 credits of elective credits. Certain A.A.S. degrees may fulfill additional requirements within the Business and Leadership Fundamentals and Technical Foundations and Applied Technology Cores. Due to these parameters, students transferring with a WTCS A.A.S. degree can anticipate 60-70 credits remaining upon acceptance to UW-Stout.

The following components apply for the B.S. Business Information Technology Transfer Articulation Agreement:

1. Each student must satisfy the University ethnic studies and global perspectives requirements for graduation.
2. Remaining general education requirements may be fulfilled through any regionally accredited post-secondary institution. It is the student's responsibility to have official transcripts showing completion of these courses, including grades, forwarded to the UW-Stout to be added to their academic record and counted towards the B.S. degree.
3. Students at UW-Stout will be required to complete a minimum of 32 credits in residence for a bachelor's degree at UW-Stout.
4. This updated articulation agreement applies only to the B.S. Business Information Technology degree in effect Fall 2025 until revised. A change of major invalidates these course/credits for transfer unless they are approved within some other program-to-program articulation agreement for another major at UW-Stout.

## Appendix 1: Transferability of an A.A.S. degree – example: CVTC Business Management

PROGRAM ARTICULATION TABLE										
	WTCS Colleges A.A.S.			University of Wisconsin-Stout						
Program name	Business Management (CVTC Example)			Business Information Technologies						
Award Type (e.g., AAS)	A.A.S.			B.S.						
Credit Length	62 credits			120 credits						
Program admission requirements (if any)										
SECTION A - General Education										
Chippewa Valley Technical College					University of Wisconsin Stout					
Course Prefix & Number	Course Name	Credits	Course Prefix & Number	Course Name	GE	RES GLP	Credits Applied	Credits NOT Applied	Equiv Sub Wav	
General Education
