### MINNESOTA STATE COLLEGES AND UNIVERSITIES\* TRANSFER AGREEMENT BETWEEN

## WESTERN TECHNICAL COLLEGE AND WINONA STATE UNIVERSITY

\*The Board of Trustees of the Minnesota State Colleges and Universities is authorized by Minnesota Statutes, Chapter 136F to enter into Agreements and has delegated this authority to colleges and universities.

This Agreement is entered into between Western Technical College (hereinafter sending institution), and Winona State University (hereinafter receiving institution). This Agreement, and any amendments and supplements, shall be interpreted pursuant to the laws of the State of Minnesota.

The sending institution has established a **Health Information Technology (AAS)** (hereinafter sending program), and the receiving institution has established a **Healthcare Leadership and Administration (Bachelor of Applied Science, BAS) degree** (hereinafter receiving program), and will facilitate credit transfer and provide a smooth transition from one related program to another. It is mutually agreed:

### **Admission and Graduation Requirements**

- A. The receiving institution's admission and program admission requirements apply to both direct entry students and to students who transfer under this agreement.
- B. Students must fulfill the graduation requirements at both institutions.
- C. Students must complete the entire sending program and meet the receiving institution's admission requirements for the agreement to apply, including grade requirements for courses and an overall GPA of 2.4.

#### **Transfer of Credits**

- A. The receiving institution will accept 62 credits from the sending program. A total of 60 credits remain to complete the receiving program.
- B. Courses will transfer as described in the attached Program Articulation Table. For system institutions, once the courses are encoded, they will transfer as described in the Transferology Audit.

#### **Implementation and Review**

- A. The Chief Academic Officers or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.
- B. This Articulation Agreement is effective on 07/01/2023 and shall remain in effect until the end date of 06/30/2028 or for five years, whichever occurs first, unless terminated or amended by either party with 90 days prior written notice.
- C. The college and university shall work with students to resolve the transfer of courses should changes to either program occur while the agreement is in effect.
- D. This Articulation Agreement will be reviewed by both parties beginning 01/30/2028 (within six months of the end date).
- E. When a student notifies the receiving institution of their intent to follow this agreement, the receiving institution will encode course waivers and substitutions.

 $<sup>^{\</sup>rm I}$  MnTC goal areas transfer to the receiving MnSCU college/university according to the goal areas designated by the sending college/university

Healthcare Leaders HLA 451: Managing Projects in Healthcare	3
HLA 452: Financial Resource Management for Healthcare Leaders	3
HLA 325: Transcultural Issues in Healthcare	3
HLA 366: Professional Communication for Healthcare Leaders	3
HLA 311: Data Science Applications	3
HLA 414: Health Care Policy/Quality Healthcare Delivery	3
HLA 444: Introduction to Change and Leadership	3
HLA 443: Leadership & Team Development in Healthcare	3
HLA 449: Appreciative Coaching	1
HADM 317: Human Resource Management	3
HLA 490: Healthcare Professional Development	2
Total Remaining University Credits <sup>2</sup>	60

**Special Notes:** Goal 3 (3-credits) Goal 5 (3-credits), Goal 6 (9-credits), Goal 8 (3-credits), Goal 9 (3-credits) and Goal 10 (3-credits) will only be required if not met through previously completed coursework.

SECTION D - Summary of Total Program Credits			
College (sending) Credits		University (receiving) Requirements	
MnTC/General Education	19		
Major, Emphasis, Unrestricted Electives or Other	43		
Total College Credits	62	Total College Credits Applied	62
		Remaining credit to be taken at the university (receiving institution)	60
		Total Program Credits	122

# Special Notes, if any:

Winona State University requires:

• A minimum of 30 credits during the junior/senior year combined must be completed at Winona State University.

• At least 40 of the required credits for the baccalaureate degree shall be at the 300-400 level.

• Completion of MnTC Goals 1-10 and 2 credits of Physical Development and Wellness required for this degree.

• Completion of 12 credits of Intensives required for this degree.

• A cumulative GPA of 2.50 is required in the HLA major and a minimum of a 2.00 GPA is required overall.

 $^{2}$  At least 40 of the required credits for the baccalaureate degree shall be at the upper-division level. If a lower division course is shown as equivalent to an upper division course, check with the university to determine if it will count toward the 40 required credits of upper division.
