WELCOME TO WESTERN TECHNICAL COLLEGE!

Embrace your future at Western Technical College!

Welcome to Western Technical College! In my short time on campus, I have found Western to be an amazing place. Whether you are attending your first ever college course, returning to school to continue your education, or simply have a passion to learn, Western is the place for you! Western’s programs will launch you into a rewarding career or can be used to transfer to a four-year college or university. These opportunities also await you at a reasonable cost.

Here at Western, the class sizes are small, which makes it easy for instructors to work individually with students.

Here at Western, instructors care about your success. Take the time and opportunity to speak with your instructors. They are valuable resources in the community, with real-life experience outside the classroom. The small class sizes ensure everyone has the opportunity to be successful. Nobody is allowed to “slip through the cracks” and everyone is given the opportunity to succeed while meeting new people. Take the time to visit the many campus resources available and learn about how Western can help you.

Opportunities await you at Western!

Western has a wide variety of clubs, volunteer opportunities, athletics, and more. At Western’s Career Services, staff will help you seek employment, including assisting with job applications and updating your resume. Looking to stay active? Western’s Wellness Center offers plenty of recreational activities to keep you active on campus. Western also has in house counseling services to help students be successful inside and outside the classroom. No matter the issue, Western is always looking to help students be successful.

I wish you the best of luck in your academic endeavors here at Western! Make everyday a great day.

Abdul Bolageh Cole
Western Technical College Student Ambassador
ACADEMIC INFORMATION

Please note that some of the following policies and procedures may be temporarily adjusted due to the COVID-19 pandemic and associated restrictions. Students will be notified of changes as required.

ACADEMIC FACULTY COACH
Once you are enrolled in a program and have started college, you will be assigned a faculty member who will serve as your faculty coach. Your coach will help you with your goals, share helpful resources, problem solve, schedule the right classes, and generally help you be successful. To learn the name of your academic faculty coach, go to MyWestern/Self-Service/Class Schedule. Some faculty may not be listed. Contact your division office for further information.

ACADEMIC STANDING
Western Technical College expects each student to maintain a level of academic achievement consistent with the college’s academic standards and to make reasonable progress. The Academic Standing applies to students enrolled in technical diploma and associate degree level courses, but does not apply to students enrolled in GOAL developmental courses.

Students having difficulty maintaining good academic standing are encouraged to seek early assistance from their instructor(s), college advisor, the Western Learning Commons, Learner Support and Transition, and/or the Counseling Center.

Good Standing
A student achieving a grade point average (GPA) of 2.0 or better at the end of a term of enrollment.

Academic Warning
A student will receive an Academic Warning if less than a 2.0 grade point average is achieved at the end of that term of enrollment. A student will be reinstated to good standing when the student achieves a 2.0 or better grade point average at the end of a term of enrollment.

If a student receives less than a 2.0 term grade point average for two consecutive terms, the student will be placed on academic suspension.

Academic Suspension
A student placed on academic suspension will be notified in writing and informed of the appeal process. If pre-registered for the upcoming term, the classes will be dropped. Students seeking re-entry will need to complete an academic suspension appeal.

Academic Probation
Should the suspension appeal be approved, a success plan will be cooperatively developed by the student and the Academic Dean. The first term the student returns, the student will be placed on Academic Probation. Successful completion of the plan will result in the student returning to good standing. If the student does not successfully complete the term with a 2.0 or above, the student will not be allowed to return for one year and must appeal at that time.
CLOSING THE COLLEGE

The College’s general procedure is to remain open at all times as scheduled. At the same time, it recognizes that faculty, staff, and students may experience, depending on their particular situation, emergency situations or conditions independent of conditions affecting the College as a whole. In these instances, it does not ask staff or students to put themselves in peril to come in to work or class. Supervisors and faculty are expected to be reasonable in their demands on staff and students to be on location when there is a bona fide emergency situation affecting the individual. There may be a few situations where it will be deemed prudent to close the institution. Students and employees are encouraged to sign up for RAVE, Western’s Emergency Notification System at www.getrave.com/login/westerntc.

If all Western locations will be closed, an announcement will be made on RAVE, as well as the website (westerntc.edu), Western’s official Facebook page (facebook.com/westerntc) and official Twitter account (twitter.com/westerntc), and the following TV and radio stations:

**Television Stations**
- WXOW – TV 19
- WKBT – News 8
- WLAX/WEAU FOX

**Radio Stations**
- La Crosse Radio Group (Classic Rock 100.1, Eagle 102.7, 1490 WLFN, Magic 105, Kicks 106.3)
- Magnum Broadcasting (Mix 96.1, 94.5 WTMB, 1460 WBOG)
- Midwest Family Radio (Z-93, 94.7, WIZM, 95.7, KQ98, WKTY)
- WCOW 97.1
- WDKM Radio WCWI 106.1
- WHTL Radio 102.3
- WPR Radio - 88.9
- WRJC 92.1 FM and 92.9 Smash Country
- WVRQ 102 FM and 1360 AM

If Western chooses to close one or more of the regional locations, an announcement will be made on the website, on Western social media channels, and on local radio stations.

If there is no announcement, the assumption is that school is in session as usual. If the college remains open, most instructors will notify you if individual classes are canceled. If you have concerns about classes or events being canceled, check your instructor’s Blackboard page or contact your instructor directly. For more information, review the Emergency Closing Policy and Procedure (A0206p) on www.westerntc.edu.

COURSE DELIVERY METHODS

Western students may choose to enroll in classes offered in a variety of delivery formats. In addition to the traditional (face-to-face) classroom environment, students may enroll in online courses, blended or hybrid courses (that combine classroom time with an online component), computer conferencing (using web-based software over real-time instruction) and IDL (Interactive Distance Learning) courses. All of these formats could also be delivered in a compressed format where classes are delivered in less than the standard term length, which requires an increased workload over a shorter amount of time.

The first time you enroll in an online, blended, or hybrid course, you’ll be asked to complete some online training modules before the start of the term to help ensure your success in the online environment. Once you register, information about the one-time training will be emailed to you during the weeks prior to the start of the term.

Additionally, you can visit the website www.westerntc.edu/getready to access some resources you can use to help you make your online learning experience successful.
FOREIGN LANGUAGE

Foreign Language Retroactive Credit

Western Technical College may award retroactive credit for foreign language studied. You are eligible to earn a maximum of one semester (4 credits) of retroactive credit if you meet the following conditions:

- You are enrolled in a second level language course (Spanish 2).
- You earned grade of ‘B’ or better in the course.

No letter grade is given for retroactive credit.

Native speakers are not eligible to earn retroactive credit

Foreign Language High School Credit

If you took one full year of foreign language at high school and earned a grade of ‘C’ or better, you can receive four hours of credit for Western’s foreign language requirement (Credit for Prior Learning). You must have successfully completed the foreign language course within the last three years.

Foreign Language Course Placement

If you took Spanish in high school and did not earn a C or better, or if you only took Spanish for only half a year, you may take the college-approved Spanish Placement Test to determine which course (i.e., Spanish I or Spanish II) is most appropriate for you.

GRADE APPEALS PROCEDURE

The following steps are designed to provide a means for students to seek review of final course grades alleged to be arbitrary and capricious. A student who files a written request for review shall be expected to abide by the final disposition of the review and may not seek further review of the matter under any procedure within the College.

1. The student must submit a typewritten statement no later than 15 business days following the start of the fall or spring term immediately following the term in which the disputed grade was assigned. The request must detail the basis for the allegation that a grade was improper and the result of arbitrary and capricious grading and must present the relevant evidence. Grade appeals may be processed in the summer session if the dean determines that a case warrants immediate review. The dean reserves the right to extend the deadlines, but only in extraordinary circumstances should the appeal be extended beyond the first regular term.

2. The division dean or designee will review findings to date and will attempt to act as mediator. The dean may request to meet individually or collectively with those involved in the process and may choose to continue mediation efforts. Each party may bring another person with them as support or as a spokesperson at any stage in the process. The student or instructor has the option of meeting with the dean without the other party present.

3. Grounds for dismissal of a request may include the improperly prepared request for appeal, that a request was not made within the policy deadline, or instances in which the student has not taken proper action to resolve the grade conflict with the instructor of record.

4. The dean will make a final decision after full consideration of the findings and within one week of receiving the student’s appeal, the dean will evaluate as needed the grading procedures as well as, if necessary, the student’s assignment for the course in terms of the criteria established by the instructor for the course. The dean’s judgment may be to deny a request for a grade change or uphold the request for a grade change.

5. The student and the instructor shall be notified in writing of the dean’s decision. If the dean determines that the course grade was based on factors other than the student’s academic performance, the dean may direct the instructor to grade again the student’s work, direct the instructor to administer a new paper/exam or direct a change of the student’s registration process (i.e., withdraw, audit, dropped).

6. The decision of the dean is final. This shall be the last step in the deliberation of the formal grade appeal process.
Grading System

Grades are available online at westernct.edu, Current Students, MyWestern, Self-Service, Grades Tab. Grades are available as soon as the class has ended and your instructor has posted your grades.

The following Grade Scale is used:

A    Excellent
A/B  
B    Good
B/C  
C    Average
D    Poor
F    Failure
W    Withdrawal (The “W” grade is not calculated in your grade point average. It is given only when you have officially withdrawn from the course.)

AUD  Audit, meaning you did not take the class for credit
T    Credit transfer from another institution
TN   Transcripted Credit Not Obtained

CR*  Credit awarded by Western if you have tested out of a class, have completed self-study courses, or have passed a pass/fail course with a “C” grade or better.

Grade Point Averages (Calculating Grade Point Averages)

Each A    =  4 grade points  per credit
Each A/B  =  3.5 grade points per credit
Each B    =  3 grade points  per credit
Each B/C  =  2.5 grade points per credit
Each C    =  2 grade points  per credit
Each D    =  1 grade point  per credit
Each F    =  0 grade point  per credit

(W, T, CR*, or AUD grades are not used in grade point averages.)

Your grade point average is determined by multiplying each course grade by the number of credit points for that class. The number of credit points received for all courses are then added together. That sum is then divided by the number of credits taken to get the average.

To show you how we determine your grade point average (GPA), let’s use the example of your taking a total of four three-credit courses in which you received one A, one B/C, one C, and one D.

For the A, you received 4 grade points for each credit or 12 points.
For the B/C grade, you received 2.5 grade points for each credit or 7.5 points. For the C, you received 2 grade points for each credit or 6 points.
For the D, you received 1 grade point for each credit or 3 points.

Add together the 12 points for the A; the 7.5 for the B/C; the 6 for the C and 3 for the D to get a total of 28.5 credit points.

To arrive at your grade point average, divide that 28.5 points by the number of credits you took (12) for a GPA of 2.375.
ACADEMIC INFORMATION

GRADUATION REQUIREMENTS
Students will be charged a $.45 per credit graduation fee to all degree, diploma and certificate program courses at registration to cover the cost of the diploma and graduation ceremony. All potential graduate names will be included in the graduation program.

An associate’s degree is awarded to students who have completed the curriculum requirements of the Wisconsin Technical College System and who have completed the following program requirements:

1. A minimum of 60 credits with a cumulative GPA of 2.0.
2. All required program course grades (including General Studies) applied toward graduation must be recorded as a “C or better” or as “Pass” (in the case of Pass/Fail) grades.
3. Student must take at least 25 percent of the credits at Western.

A technical diploma is awarded to students who have completed the curriculum requirements of the Wisconsin Technical College System and who have completed the following program requirements.

1. All required program course grades (including General Studies) applied toward graduation must be recorded as a “C or better” or as “Pass” (in the case of Pass/Fail) grades.
2. Student must take at least 25 percent of the credits at Western.

HONORS LIST
Students in an associate’s degree or technical program who take 12 credits or more per term at Western, may be named to the Presidents List of High Distinction for having a grade point average (GPA) of at least 3.5 or higher. A list of recipients can be found at www.westerntc.edu/presidents-list.

From here, students on the list can print an official letter for their portfolios.

HONORS AT GRADUATION
An associate’s degree or diploma with honors is granted to graduates with a program GPA of 3.0 to 3.49 GPA. An associate’s degree or diploma with high honors is awarded for a program GPA of 3.5 or higher. Grade point average is calculated as of the end of the previous term.

HONORS PROGRAM
The Honors Program is a community of students and faculty committed to being part of an active learning community that encourages critical thinking, while stressing growth through academics, community service, social and cultural experiences, and leadership development. The a la carte design of the program provides plenty of options for students: special honors assignments in select courses, community service opportunities, attending musical and/or theatrical performances, taking on leadership roles in the college community, discussing a book or movie with other students and faculty, and other opportunities to enhance your education—and your resume. To learn more, visit the program’s website at: https://www.westerntc.edu/honors-program.

INCOMPLETE COURSES
You may be given an incomplete grade only if your instructor agrees there are extenuating circumstances. It is then your responsibility to complete the requirements for the course within the first four weeks of the following term.

Incomplete grades for classes taken during the fall term must be completed within the first four weeks of the following spring term. Incomplete grades for classes taken during the spring term must be completed within the first four weeks of the following summer term. Incomplete grades for classes taken during the summer term must be completed within the first four weeks of the following fall term.

If you do not follow the procedure, the grade will be changed to an F and you will have to register for the course again.

When you have an incomplete grade in a prerequisite course, the prerequisite must be completed before you can enroll in the advanced course.
PROGRAM/COURSE WITHDRAWAL

Students are encouraged to contact their college advisor when withdrawing from a program. The student must drop a program or courses in which the student has chosen not to continue. In addition, students may wish to:

1. Communicate with their instructor(s) and respective division offices (if withdrawing from a program or from college).
2. Contact a college advisor to consider alternative options.

If a student does process an official drop from classes:

Students who stop attending a class must officially drop the class online or in person at the Welcome Center at the La Crosse campus or at one of Western’s regional locations or request a withdrawal from the course in writing by emailing Registration@westerntc.edu.

1. The permanent record will reflect a withdrawal grade (W)*.
2. The student may or may not be eligible for future financial aid.
3. The student may receive a refund of fees paid (if within the stipulated allowable time frame). Any reduction in fees paid will be refunded to the appropriate funding institution, as mandated by federal guidelines, or to the student. If fees have not been paid in full, a credit will be posted to the student’s account.

If a student does not process an official withdrawal:

1. The permanent record will reflect a failing grade (F).
2. The student may or may not be eligible for future financial aid.

*An official withdrawal within the first 10% of the class will be classified as a registration adjustment and the withdrawal will not be recorded on the student’s permanent records. If a student officially withdraws from school after the first 10% of a term but prior to the last 25% of the term, the student will receive a “W” grade. To maintain a standard in each program, no student is permitted to officially withdraw from school during the last 25% of the term.

Students are expected to attend all classes. In case of absence because of sickness or other excusable cause, it is the responsibility of the student to justify the absence to the instructor, preferably before the class meeting the student will miss, and to arrange for completion of the class work.

Students who stop attending a class must officially drop the class online, in person at the Welcome Center at the La Crosse Campus, or at one of the Western’s regional locations. Faculty will not drop a student for nonattendance, but may assign a failing grade. However, the College reserves the right to drop a student for attendance related issues at any time during the term if it felt to be in the best interest of the student or the College.

Some divisions have specific guidelines to which you will need to refer.

A student is not permitted to drop or withdraw from course(s) in which he/she has a pending Student Code of Conduct allegation.

PROGRESS REPORTS

If you are doing unsatisfactory work in a course, you may receive a mid-term notice from your instructor. This notice is sent so you will seek help from your college advisor, instructor, or counselor.
REPEATING A COURSE

All required courses failed or withdrawn from must be repeated in order for the student to graduate. Both the original and the repeated grade will appear on the student’s transcript. When a course is repeated, it will be indicated on the transcript. The highest grade earned in the course will be calculated in the student’s grade point average. Refer to divisions for additional repeat policies:

**General Studies Division Course/Program Repeat:**

- Students who do not successfully complete (grade of C or better) General A&P or Advanced A&P after two attempts will not be eligible to re-enroll in the course. A student wishing to enroll for a third time must schedule an appeal meeting with the Dean of Health and Public Safety Division.
- Students who do not successfully complete (grade of C or better) Anatomy and Physiology 1 or Anatomy and Physiology 2 after two attempts will not be eligible to re-enroll in the course. A student wishing to enroll for a third time must schedule an appeal meeting with the Dean of General Studies Division.
- Students who do not successfully complete (grade of C or better) any of the following English or Math courses must see the Dean or Associate Dean prior to enrolling in the class for the third time.
  - English courses include: English Comp 1 or English 1
  - Math courses include: College Mathematics, Math with Business Applications or College Tech Math 1A

**Health and Public Safety Division Academic Policies:**

To address the needs of students, the Division has established the following policies and procedures:

**General Policy**

- Students whose actions significantly endanger patient safety (which includes but is not limited to, alcohol/drug usage or sexual misconduct) will be dismissed from the course, program, and/or clinical/internship site immediately.
- All repeat courses must be successfully completed prior to completing sequential courses in the program.
- Students who receive a total of three or more non-passing grades (“D”, “F”, or “W”) in program core and/or science courses will be dismissed from the program.
- Students may appeal their dismissal to the Dean of Health and Public Safety for course re-entry and/or program re-entry.
- No student will be allowed to enroll in a core program course more than twice. Each course drop, withdrawal, or failure will count as a course enrollment.

**Procedure for Program Course Repeat:**

The Health and Public Safety Division staff supports cooperation between faculty, counselors, and students to promote an environment in which students can succeed. In keeping with this philosophy, the Division staff utilizes student success plans as an integral part of supporting the learning needs of students.

- Students wishing to enroll in a course for a second time must work with the faculty to create a student success plan.

The student success plan will address the factors contributing to the lack of success and the action plan for the student, which may include the behavior the student is expected to demonstrate and the time frame for the student to progress.
Health and Public Safety Division/Program Re-entry Policy and Process

Students failing a Health and Public Safety Division program may appeal to the Dean of Health and Public Safety. Students will follow the re-entry process and recognize that the Dean reserves the right to deny the student program re-entry.

Students requesting program re-entry are required to follow the following process:

1. Write a letter of intent requesting re-entry into the program that includes:
   a. Contact information: Name, program, student ID number, address, phone and email
   b. An examination of the student’s choices and behaviors that prevented successful completion of courses/program
   c. The student’s plan for change and improvement for program success
   d. The student’s professional goals

2. Send the letter of intent by USPS mail or email to:
   Dean of Health and Public Safety, Western Technical College,
   400 Seventh Street North, PO Box C-0908, La Crosse, WI 54601-0908.

3. The Division will contact student to schedule an appeal meeting with the Dean of Health and Public Safety or their designee.

4. The student will be notified of the Dean’s decision by letter (USPS mail or email).

Program re-entry is always dependent on space availability. In situations where re-entry is granted, the Dean will often refer the student to meet with program faculty to develop a program success plan. The success plan may include (but is not limited to the following):

1. Additional courses for remediation
2. Competency demonstration
3. Required meetings with Western faculty or staff

REFUND POLICIES

Except in the case of cancellation or discontinuance of courses, you must drop a class within the stipulated refund period to receive a refund of refundable fees. In extenuating circumstances, Western may make discretionary judgments and exceptions. The district may also establish a charge per course to be deducted from any refund to defray processing costs.

Refunds are based on the beginning date and scheduled length of classes and the date the class is officially dropped. Refunds are not based on whether or not you attended class.

Student refunds are distributed from the Western Cashier’s Office approximately 14 days after the class has been dropped.

The refund for all courses, regardless of length, is:

- 100% if the district cancels the course.
- 100% of refundable fees if the student drops the class before the first class meeting.

The refund for all courses is based on the number of class meetings since the first instructional day of the term.

- 80% if less than 11% of total class meetings have met.
- 60% if 11-20% of total class meetings have met.
- No refund after more than 20% of total class meeting have met.

If financial aid or agency funding pays your fees, other refund procedures may apply. Please contact the Office of Student Financial Aid or the appropriate funding agency.

AUDITING CLASSES
A student may audit a course (take a course, but not for credit). Students auditing courses must meet the attendance requirements in a course, but are not required to complete assignments, take examinations, or meet other class requirements. The fees for auditing a course are the same as taking the course for credit. To audit a course, the course must be marked “audit” at the time of registration and will appear as such on your transcript. You must register in person to audit a class.

CHANGING YOUR PROGRAM
You may change from one program to another if admission standards are met and space is available in the program. Contact your College Advisor.

CREDIT FOR PRIOR LEARNING
Pathways to earn credit for prior learning, knowledge, and experience:

Credit by Challenge Exams
Students can show the level of knowledge they have acquired in different subject areas through standardized tests developed by Western Technical College and potentially earn credit for class equivalency. Think of it as taking the final exam without taking the course. Challenge Exams are available to students with previous knowledge in a subject area based upon a non-college training program, job experience or self-learning. The exam may be a written, oral, performance-based or practical test, interview or any combination of the above. Not all Challenge Exams are available for every course.

Challenge Exams are graded as pass/fail and students must earn a passing grade to be awarded credit. If a student fails a Challenge Exam, the student can either register for that particular course at Western Technical College or wait and retake the exam in one year. If a student successfully passes a Challenge Exam, the grade of CR (credit) is shown on the student’s transcript, but it is not used to calculate the GPA.

Students do not need to be enrolled in the course in order to take the Challenge Exam. If a student passes the Challenge Exam, it is the student’s responsibility to officially drop the course. The student may be eligible for a program/material fee refund/deduction based on Western Technical College’s refund policy.

Challenge Exam non-refundable assessment fee: $50

For a list of Challenge Exams visit: www.westerntc.edu/credit-prior-learning.

Contact the Adult Learning Specialist to confirm eligibility and help with preparing for the exam: noyest@westerntc.edu; (608) 785-9441

Credit by Portfolio
Students can document and submit college-level learning through a portfolio. Portfolios are supporting documentation of college-level knowledge, competency and ability, and proves the students understanding of course competencies. Supporting documentation might include but not limited to:

- Résumé, awards, computer code, videos and written narrative
- Training or industry certificates and documentation
- Supervisor verification written on company letterhead
- Other appropriate forms of verified learning

Credit by Portfolios are graded as pass/fail and students must earn a passing grade to be awarded credit. If a student fails a Credit by Portfolio, the student can either register for that particular course at Western Technical College or wait and resubmit another Credit by Portfolio in one year. If a student successfully passes a Credit by Portfolio, the grade of CR (credit) is shown on the student’s transcript, but it is not used to calculate the GPA.
ENROLLMENT SERVICES

Students do not need to be enrolled in the course to earn Credit by Portfolio. If a student passes the Credit by Portfolio, it is the student’s responsibility to officially drop the course. The student may be eligible for a program/material fee refund/deduction based on Western Technical College’s refund policy.

Credit by Portfolio non-refundable assessment fee: $90

Contact the Adult Learning Specialist to confirm eligibility and help with developing portfolio preparation: noyest@westerntc.edu; (608) 785-9441

Credit for Military Training

Students with military service may be eligible for academic credit. Western evaluates military training and experience according to the American Council on Education (ACE) standards for recommended college credit. Determination of credit awards is based on equivalent course competencies and approved by college content experts. Students need to submit a Transfer Credit Evaluation request form, official military transcripts, and schedule an appointment to meet with the Veterans Specialist. Military transcripts will be reviewed for possible credit upon admission to the college and declaring a program of study.

Contact the Veteran Military Center to determine military transfer credits and more information: speropulosp@westerntc.edu; (608) 789-4767

Credit by Standardized Tests

Students can submit other forms of testing and placement as part of credit for prior learning. Some Standardized Tests include:

- Advanced Placement Tests (AP Courses)
- College Level-Examination Program (CLEP)
- DSST Exams

Contact the Adult Learning Specialist for more information: noyest@westerntc.edu; (608) 785-9441

Credit Transfer

Students who have earned credits from other educational institutions can request Credit Transfer which can help you save time and money. Credit Transfer from another regionally accredited college, technical college, high school transcripted credit, or university may be awarded for course work when earning a C or higher. Students who wish to transfer credits must be admitted to Western Technical College.

In order to receive credit for a course, request official transcripts from any/all prior educational institutions attended and have them sent directly to:

Western Technical College
Admissions Office
400 7th St N
La Crosse, WI 54601

Western Technical College determines what credits are counted toward program requirements and notifies the student with a Credit Transfer report.

Contact the Transfer Credit/Graduation Assistant for assistance with Credit Transfer: allent@westerntc.edu; (608) 785-9221
Credit for Prior Learning Appeals Process
The following steps are designed to provide a means for students to seek review of credit for prior learning decisions:
1. The student must submit a typewritten statement to the transfer evaluator no later than 14 business days following the communication of the decision. The request must detail the basis for the allegation that the decision regarding credit for prior learning was arbitrary and capricious and must present the relevant evidence.
2. The division dean or designee will review the student’s statement and may request to meet with the student to gain further information.
3. The dean will make a final decision after full consideration of the information. Within one week of receiving the student’s appeal, the dean will communicate the final decision regarding the request for credit for prior learning to the student and the transfer evaluator.
4. The decision of the division dean is final. A student who files a written request for review shall be expected to abide by the final disposition of the review and may not seek further review of the matter under any procedure within the Western Technical College.

DROPPING OR ADDING A COURSE
Enrollment is not allowed in a class that has started unless authorized by the dean of the division in which the course is offered.
Before you drop a course, you should first talk with your college advisor or instructor.
If you officially drop a class during the first 10% of the class meeting time, it will not be recorded on your permanent record. If you drop after 10%, but before the last 25% of the course, you will receive a W (withdraw) grade. No student is allowed to officially drop a class with less than 25% of the class remaining, unless such drop or withdrawal is authorized by the dean of the division in which the class is offered. Faculty will not drop a student for nonattendance, but may assign a failing grade. However, the College reserves the right to drop a student for attendance related issues at any time during the term if it is determined to be in the best interest of the student or the College.
Failure to comply with the withdrawal procedure may result in a failing grade and/or negatively affect future registration and/or financial aid eligibility. Non-notification of withdrawal does not absolve an individual’s responsibility for fee payments.

PRIVACY OF RECORDS
You have certain rights under the Family Educational Rights and Privacy Act of 1974 (FERPA) concerning your school records. This law permits the college to release “directory” information about students without prior student consent.
Western defines directory information as:
- Name
- City
- State
- Dates of attendance
- Credit load
- Previous colleges and schools attended
- Program of study
- Awards, honors, and degrees conferred including dates
- Address (limited directory information only)
- Phone (limited directory information only)
Currently-enrolled students can withhold directory information by filing a Request to Withhold Directory Information form available on the Western website or in the Welcome Center. This request is valid until you notify the Registrar’s Office in writing. Students have the right to inspect and review their records. All requests must be made in writing. All requests will be responded to within 45 days. Contact the Registrar’s Office in the Welcome Center.

Upon request, the College may disclose education records without consent to officials of another school in which a student seeks or intends to enroll. If you would like additional information release to specific parties (e.g. information concerning your financial aid, tuition, or educational records released to parents, guardians or third parties), a Release of information Form should be submitted to the Welcome Center. The release is valid until it is revoked in writing.

**Limited Directory Information Designation:**
Western does not disclose directory information for marketing or solicitation purposes. Western designates address and phone numbers as limited directory only. This information is only eligible for release to Western Technical College Foundation-related activities and/or local, state or federal law enforcement agencies for safety and/or criminal investigative purposes; or as required for compliance with the Solomon Amendment.

The Solomon Amendment is a federal law that allows military recruiters to access some address, biographical and academic program information on students age 17 and older. Western is required to release data included in the list of “student recruitment information,” which may or may not match Western’s identified directory information. If a student has submitted a Request to Withhold Directory Information Form, then no information from the student’s educational record will be released under the Solomon Amendment.

**REGISTRAR’S OFFICE**
The Registrar’s Office, in the Welcome Center, is responsible for scheduling registration each term and helping you get credit for previous educational and/or work experience. The Registrar receives and verifies forms about changes in classes, certifies enrollment, and does a final review to make sure you have met all graduation requirements.

**The Registrar also:**
- Provides official transcripts (copies of your grades),
- Completes forms to help you qualify for special discounts on car insurance, (enrollment verification),
- Processes name and address changes
- Verifies status concerning out-of-state tuition,
- Permanently maintains student records.

The cost for an office transcript is $8.00. Official transcripts are not released if the student has an outstanding financial obligation.
RETURNING TO COLLEGE

If your attendance is interrupted for two consecutive terms or more, you must file a change or add program application for admission. The application is available via Western’s website by clicking “Apply Now”. When you return, you will have to meet the program requirements in effect at the time you are admitted to the program.

TRANSFERRING CREDITS TO OTHER COLLEGES AND INSTITUTIONS

Many students will start their college journey at Western with the ultimate goal of finishing it somewhere else. There are many ways that students can use Western as a “stepping stone” toward their academic future. There are many direct transfer agreements, called articulation agreements that allow students to complete a program at Western and then transfer those credits to another institution.

Another option may include taking general classes and building a college GPA at Western, then transferring to your decided school. With this option, the more you can tell us about your plan, the more we can help you make sure your classes will move you in the direction you want to go.

Western has entered into numerous transfer agreements with area colleges and universities to support our students’ continuing education. Students interested in transferring credits to other colleges or universities are strongly encouraged to check with the receiving institution prior to enrolling in coursework at Western and to work with an ASLA College Advisor to assist in determining what the best option may be.

For information about specific transfer agreements, articulation agreements and course equivalencies including the Associate of Arts/Science degree with Viterbo University and the Associate of Science Liberal Arts Transfer degree with UW-La Crosse, visit the transfer webpage at www.westerntc.edu/university-transfer. Also, under the UW Transfer Information System heading, information can be found if interested in transferring credits from Western to a UW System school. Course transfer information applies to most students, but may vary based upon specific majors or programs. You are strongly encouraged to discuss your specific circumstances with your program faculty mentor and to check the University Transfer webpage for periodic updates.

WITHDRAWAL FROM COLLEGE

If you are considering withdrawing, please take the time to talk to your College Advisor. A variety of services are available to help you through academic, social, emotional, and financial hardship.

If you want to withdraw from college before the end of a term, you need to drop your classes. In addition, you are encouraged to communicate with your instructor and your college advisor. If you withdraw from school during the first 10%, the courses will not be recorded on your permanent student record. If you withdraw after the first 10%, but prior to the last 25% of the term, your record will indicate a W grade in each course in which you are enrolled.

Failure to comply with the withdrawal procedure may result in failing grades and/or negatively affect future registration and/or financial aid eligibility. Non-notification of withdrawal does not absolve an individual’s responsibility for fee payments.

The purpose of a private report is to comply with your wish to keep the matter private, while taking steps to ensure the future safety of yourself and others, and for statistical inclusion in the annual security report. Reports can be made through private reporting and/or the online Incident Report Form: (westerntc.edu/student-rights-and-concerns).

Annual Security and Fire Report

In compliance with the Students Right-to-Know and the Jeanne Cleary Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1990, Western annually publishes its annual security and fire safety report and policy statement.

The full report can be viewed at: https://www.westerntc.edu/sites/default/files/student-rights/documents/AnnualSecurityReport.pdf (you may request a hard copy version in the Student Life Office, Room 100 of the Kumm Center).

This report will inform you about:

- How to report incidents and crimes
- Emergency response procedures
- Security Policies and procedures
- Policies and programs related to crime prevention, alcohol prevention, sexual assault/domestic violence/dating violence/stalking response, and campus emergencies
- Crime and fire statistics for the last three years for each of Western’s campus locations

Western is dedicated to partnering with students, staff and faculty to ensure a safe and secure campus. Everyone plays an important role in preventing and reporting crime.

Timely Warning Notifications: In the event that a situation arises, either on or off campus, that, in the judgment of the President and/or members of the Emergency Operations Team (EOT), constitutes an ongoing or continuing threat to personal safety, a campus-wide “timely warning” will be issued.
A Timely Warning Notification is issued to all members of the campus community when a specific crime, as defined by the Clery Act, has occurred on or in close proximity to any Western owned or operated property and could be a serious or continuing threat to the campus community.

The issuing of a Timely Warning Notification is decided on a case-by-case basis based on all the facts of the crime incident, including the nature of the crime, the continuing risk to the campus community, and the location of the incident. Timely Warning Notifications will be distributed as soon as pertinent information is available, in a manner where the names of victims are withheld in order to protect confidentiality, and with the goal of helping to prevent similar occurrences. The EOT is responsible for developing and reviewing the criteria regarding Timely Warning Notifications.

Timely warnings are typically issued for the following Uniform Crime Reporting Program (UCR) crime classifications:

- Murder/Non-Negligent Manslaughter
- Aggravated Assault (cases involving assaults by one person upon another with the intent of inflicting severe bodily injury, will be evaluated on a case-by-case basis to determine if the individual poses an ongoing threat to the larger Western community)
- Robbery involving force or violence (cases involving burglary or theft without threat or violence will typically not result in the issuance of a timely warning notice, but will be assessed on a case-by-case basis)
- Sexual Assault (all cases of sexual assault, including stranger and non-stranger/acquaintance cases, will be assessed by the EOT for potential issuance of a timely warning notice based on the facts of the case, when and where the incident occurred, when it was reported, and the amount of information known)
- Major incidents of arson
- Other Clery crimes and non-Clery crimes as determined by the President and/or members of the EOT as constituting a serious or continuous threat to personal safety

Notices are typically issued to all students and employees through any one or combination of the College e-mail system, computer announcements, TV monitor message boards, text messaging, public address announcements, classroom/office space announcements, posting signs in highly visible locations throughout the College, and/or College website (www.westerntc.edu) depending upon the circumstances. All students and employees receive the same notification regardless of their campus of attendance or employment. Timely Warning Notifications will specify which campuses are impacted by the notice.

Any person on any Western campus with information warranting a Timely Warning Notification should report the circumstances to Security, by phone (608-785-9191) or in person at Coleman Center, Room 131 (La Crosse campus), and/or the campus front desk/all other campus locations.

Missing Persons Procedure

If a member of the Western community has reason to believe a student may be missing or is concerned for a student’s safety, the community member should contact Security (608-785-9191) and/or the Dean of Students (room 100 in Kumm Center or (608) 785-9880). All possible efforts will be made to attempt to locate the student, including but not limited to, contacting the student directly, asking local law enforcement for a check of their welfare, and communicating with known friends and family.

Students living in campus housing may designate a person who can be notified in the event it is determined the student may be missing. Residence hall students can register the contact information with the Student Life Office, room 100 in the Kumm Center. All emergency contact information will remain confidential and will be housed in a secure file in the Dean of Student’s office.

Western will notify any missing student’s confidential contact(s), if provided, within 24 hours of the determination that the student is missing. In the event a student under 18 years of age and not emancipated, Western will notify a custodial parent or guardian within 24 hours of the determination that the student is missing, in addition to notifying any additional contact person designated by the student. For all missing students, Western will notify the local law enforcement agency within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing.

Personal Emergency Messages

Students may receive personal emergency messages during the school day through the Campus Operator (608) 785-9200 or the Student Life office (608) 785-9445. Students may also register for an alternative message service with the Student Life Office. This service requires that a student give the office daily schedules so that they can be contacted anytime they are on campus. This service is especially helpful for parents with young children. For both message services, contact the Student Life Office, Kumm Center, Room 100, or call (608) 785-9445.

Safety Escort Service

A staff member or security officer is available for any student wishing to be accompanied to their vehicle for safety reasons. If you would like this service, call (608) 785-9191 or pick up one of the campus information/security phones to request an escort on the La Crosse campus, or contact the main office on any other Western campus.
Incident Reporting
All students and staff/faculty are encouraged to report incidents that occur on or about any Western location. To report non-urgent situations, staff or student injury, allegation of student conduct, minor crime, suspicious activity, safety concern, or other issue, student may complete one of the online reporting forms (westerntc.edu/student-rights-and-concerns)
Every submission will be reviewed and appropriate action taken.

Lost and Found
Lost and found is located in the Student Life Office, Kumm Center, Room 100, (608) 785-9445.
Staff will try to locate owners of items labeled with names. At the end of each term, usable items that have not been claimed will be donated to charity.

Parking and Permits
Parking in Western lots is available on a first-come, first-serve basis with a valid parking permit.
To park in any stall in a Western lot, including spots designated for people with disabilities, you will need to purchase a permit. During construction on campus, parking may be limited.
A parking permit gives permission to park on campus but does not necessarily guarantee an available spot.
All permits are available throughout the year in the Student Life Office, Kumm Center, Room 100 or online through the Campus Shop Bookstore. Permits can be purchased by the term or for the full academic year. All permits are non-transferable. Any vehicle parked in Western lots without a valid parking permit will be ticketed. Parking permits are required in all parking lots and the ramp from 7:00 a.m. to 4:00 p.m., Monday thru Friday.

- Overnight parking is not permitted in any Western parking lots or the parking ramp, with the exception of the Western Residence Hall lots with valid Residence Hall permit. Unauthorized vehicles parked overnight will be ticketed.
- Students living in the Residence Hall are required to purchase a reserved parking permit that is valid in Residence Hall parking only.
- Student and visitor parking with valid permit is available in all lots except the Residence Hall lots and any specially designated spaces (visitor parking, 15-minute parking, loading, etc.). Employee parking is available in specific lots only. https://www.westerntc.edu/parking-map A map of parking lot designations is available on the college website (westerntc.edu/parking-permits)
- Student Parking Permit Costs for 2020-2021:
  - Student Annual permit - $35.00
  - Student Fall Term or Spring term only permit - $25.00
  - Student Summer term only permit - $10.00
- Day permits are available to park in general lots at a cost of $2 per day.
- If you have an appointment on campus, please check with the Student Success Center for a temporary permit.

Parking is only allowed in valid parking stalls. Vehicles parked in fire lanes and other non-designated spots will be ticketed.
Motorcycles and scooters may park free of charge in designated motorcycle parking areas in lot C only. Motorcycles or scooters parking in regular stalls are required to display a permit. Motorcycle-specific permits are available upon request with the purchase of a parking permit. Permits are to be hung from the rear view mirror. Failure to properly display permit will result in vehicle being ticketed. There is a $10 replacement fee for lost parking permits.

Because space in the parking lots is limited, many students park on city streets. The parking map shows which streets are pay-to-park, 2-hour free parking and unlimited free parking around campus. If you do park on the city streets, please remember to abide by city parking laws and be respectful of our neighbors.
Parking Appeals
If you feel you have received a parking citation (ticket) in error, you may have grounds to appeal the citation to the Parking Appeals Board. To appeal a parking citation, you must submit an online appeal form within 15 calendar days of the date the citation was issued. More information can be found on the Parking Appeals page on the college website (westerntc.edu/parking-appeals).

CAREER SERVICES
Career Services assists students from the very beginning of their educational experience, throughout their time at Western, and even after graduation as alumni. EMERGENCY PROCEDURES INFORMATION

Western has designated procedures to follow in case of most emergencies that could happen on campus. Although not every conceivable situation is addressed, the guidelines below can assist students, staff, faculty and visitors cope with most campus emergencies. All students, staff faculty and visitors are expected to follow the established procedures to the best of their ability. Copies of the Emergency Procedures Guide are located in every classroom and office on all Western campuses and are published annually in coordination with emergency drills. Western maintains an Emergency Response Plan that outlines responsibilities of campus units during emergencies.
Upon the confirmation of an emergency event that involve an immediate threat to the health or safety of members of the Western community, the College will immediately notify the campus community of the significant emergency or dangerous situation. Notifications may be withheld if they would compromise the efforts to safely contain the emergency. The notification will be issued through any one or combination of the following: College electronic communications systems (email, Facebook, Twitter, etc.), bulletin boards, text message blasts, public address announcements, message boards, classroom/office space announcements, bulletins posted on building entrances, college website (www.westerntc.edu) and/or local media agencies, depending upon the circumstances.

Students and staff/faculty are encouraged to update personal contact information with the College, including cell phone numbers in order to be included in the RAVE alert emergency notification system. Students and employees can register their cell phones and/or home phones to receive emergency communications at: www.getrave.com/login/westerntc.

Western will annually test and evaluate emergency procedures, including evacuation through campus scheduled drills. In addition, the Emergency Operations Team (EOT) will conduct annual exercises to test and evaluate procedures and response. Documentation of the tests will be maintained in the Security Office, Coleman Center, Room 131.

EMERGENCY RESPONSE

In all life-threatening emergencies, 911 should be notified first with a follow up call to Security (608) 785-9191. Emergencies occurring at campuses other than La Crosse, notification to the main office staff should be made after contacting 911.

Upon report of an emergency event, Security will act as first responders at the La Crosse and Vehicle Technology Center campuses. At the remaining campuses, the Campus Coordinator or designee will act as a first responder in consultation with the Security Manager or Coordinator. The role of the first responder is to confirm there is a significant emergency.

In the event of an emergency:

• Take note of safety signs and evacuation routes
• Follow instructions of supervisors, faculty, and/or emergency response teams.

• Hide along the wall closest to the exit but out of the view from the hallway.
• Remain in place until given an all clear by identifiable law enforcement.
Fight – If neither running nor hiding is a safe option, as a last resort consider trying to disrupt or incapacitate the armed intruder by using aggressive force and items in your direct environment such as fire extinguishers, chairs, etc. Note: confronting an active shooter is never a requirement of any campus employee’s job. How each individual chooses to respond if directly confronted by an armed intruder is up to that person.

SERVICE ANIMAL ON CAMPUS

Policy

The College prohibits the presence of any animal in college controlled and managed facilities, except under the following exemptions:

1. Service animals specially trained for and under the control of an individual with a disability
2. Emotional support animals as permitted only in the residence hall with an approved housing accommodation request, in accordance to the Fair Housing Act
3. Registered therapy animals brought on campus by approved handlers for college approved events or programming
4. On-duty police K-9 or rescue dogs
5. Teaching animals as specified in program curriculum and approved by the Vice President for Academic Affairs or designee

Any permitted animal must remain under the control of the handler at all times and is solely the handler’s responsibility. Western reserves the right to exclude an exempted animal whose behavior poses a disruption to the learning environment and/or a threat to the health or safety of others.

Procedure

The purpose of these procedures is to ensure that students with disabilities who have service animals can participate in and benefit from district services, programs and activities, and to ensure that the district does not discriminate on the basis of disability as identified in Titles I and III of the Americans with Disabilities Act (ADA).

Definition of Service Animal

The Americans with Disabilities Act (ADA) defines a service animal as a dog (or miniature horse) that is individually trained to respond to an individual’s needs and to do work or perform tasks for the benefit of an individual with a disability. An animal that is used to provide only an emotionally supportive therapeutic service for a student does not meet the definition of a Service Animal.

Definition of Emotional Support/Comfort Animal

Any animal used as part of a medical treatment plan to provide companionship and help with issues such as depression, anxiety, and certain phobias, but do not have special training to perform tasks that assist an individual

USE OF SERVICE ANIMAL ON CAMPUS

Students

Western encourages, but does not require, students to make themselves known to the college through Access and Language Services should they desire to have a service animal accompany them in academic classes, activities, or services on campus.

If a student plans to have their service animal live with them in the residence hall or is requesting use of an emotional support animal, you must provide notice to Access and Language Services and complete the required accommodation request for on-campus housing.

Employees

Employee requests to have a service animal at work, shall be coordinated through the Director of Human Resources.

Visitors

Service animals accompanying individuals with disabilities are welcome in all areas of campus that are open to the public. Specific questions related to the use of service animals on the campus by visitors can be directed to Access and Language Services.
Restrictions
There are certain areas that may be considered unsafe for the service dog and its handler, or where the presence of an animal might interfere with the safety of others, such as, but not limited to, chemistry labs, industrial labs, or surgical suites. Exceptions will be made on a case-by-case basis with consultation to Access and Language Services. If it is determined that an area is unsafe, reasonable accommodations will be provided to assure equal access to the student.

Guidance and Responsibilities of Handlers of Permitted Animals:
• The handler must be able to provide proof of current rabies vaccinations.
• The service animal is in a harness or on a leash at all times.
• The service animal is under control at all times.
• The supervision of the service animal is the responsibility of its handler.
• Regular bathing of the service animal is expected to avoid odor and shedding.
• The service animal must be toilet trained; the handler is responsible for the cleanup of animal waste.
• The handler must use appropriate toilet areas for the service animal.
• The handler is financially responsible for any property damage, bodily injury, or personal injury caused by the service animal.

Allergies and fear of dogs are not considered valid reasons under the ADA for denying access or refusing service to people using service animals. When a person who is allergic to dog dander and a person who uses a service animal must spend time in the same room or facility, for example, in a school classroom, they both should be accommodated by assigning them, if possible, to different locations within the room or different rooms in the facility.

Under what circumstances can a service animal be asked to leave or not allowed participation on campus?
• If a service animal is found to be disruptive in the classroom;
• If a service animal shows aggression towards their handler or other members of campus or the community;
• If a service animal is physically ill;
• If the service animal is unreasonably dirty;
• Any place on campus where the presence of a service animal causes danger to the safety of the handler or other students/member of campus; or
• Any place on campus where a service animal’s safety is compromised.

The term “drugs” includes any “look alike” substances which are intended to resemble or be mistaken for drugs, as defined by this policy. The term “drugs” does not include substances possessed or used by an employee or student pursuant to the employee’s or student’s valid prescription.

The legal use of drugs prescribed by a medical professional for the employee is permitted on the job only if it does not impair an employee’s ability to perform the essential functions of his or her job in a safe manner. The College may conduct drug or alcohol testing for students and employees at any given time with individualized suspicion, unless otherwise prohibited by federal or state law.

Employees and/or students seeking assistance in dealing with alcohol or other substance use/abuse are encouraged to use resources available to them, such as seeking the assistance from the Western Alcohol and Drug Abuse counselor, Employee Assistance Program, or referral to an appropriate rehabilitation program where possible.

The College and the Wisconsin Technical College System Board policy forbid the expenditure of tax dollars and/or student activity fees for alcoholic beverages. The advertising of alcoholic beverages is prohibited on College property and in College publications.

Exceptions to this policy may be made by the College President or his/her designee only. Violators of this policy may be subject to disciplinary action and/or referral to law enforcement officials for prosecution under specific state, federal, or local laws.

This policy is adopted in accordance with the 1989 Wisconsin Act 121, the Drug-Free Schools and Community Acts Amendments of 1989 (Public Law 101-226), and Wisconsin State Statute, Chapter 161 961, Uniform Controlled Substances Act.
The possession, use and sale of alcohol and controlled substances are regulated by Western Technical College in accordance with: (1) the Drug-free Schools Act, (2) the Drug-free Workplace Act, (3) applicable provisions of federal, state, and municipal law, and (4) WTCS District policies. The possession, use, sale, and transfer of alcohol and/or controlled substances on College property are strictly prohibited. Violations of this policy will be referred to the Student Life office for conduct action and/or to local law enforcement.

Under Wisconsin state law, penalties for violations of the statutes regulating illegal use of alcohol (Chapter 125), range from a fine of $500 for a first violation and up to $10,000 for additional violations and could result in suspension of one’s driver license. Penalties for violations of the state statutes regulating controlled substances (Chapter 961) range from 6 years to up to 40 years in prison plus fines up to $10,000 depending on classification of controlled substance and factors such as quantity involved, nature of the offense (sale, use, etc.) and prior criminal record of offender. Under federal law, penalties for violations of use, possession or trafficking can range from 6 years to life in prison and fines up to $25,000 (Title 21 United States Code).

The Western Counseling Center provides alcohol and other drug assessment, short term individual counseling, and referral services to students and staff. The Student Activities/AODA Specialist provides alcohol and other drug prevention efforts throughout the College. Western’s Drug and Alcohol Abuse Prevention Program (DAAPP) can be found under the policies and procedure section at westerntc.edu/student-rights-concerns-and-disclosures.

Policy for Provision of Reasonable Accommodation for People with Disabilities

Western Technical College is in compliance with Section 504 of the 1973 Rehabilitation Act and with the Americans with Disabilities Act of 1990. It is the policy of Western Technical College to provide reasonable accommodations (when requested) for qualified individuals with disabilities who are students, potential students, employees or applicants for employment, provided such reasonable accommodation does not place undue hardship on the operations of the College. The College will adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal employment and educational opportunity to qualified individuals with disabilities. Reasonable accommodation will be provided in a timely and cost-effective manner upon self-identification, verification and an analysis of solutions. Reasonable accommodations are not mandatory when the person with the disability poses a direct threat to the health or safety of themselves or others.
An individual with a disability is any person who has or acquires a physical or mental impairment which substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such impairment. Temporary, non-chronic impairments of short duration, with little or no long-term or permanent impact, are usually not considered disabilities under the ADA.

A physical or mental impairment is any physiological disorder, disfigurement, or anatomical loss or limitation affecting one or more of the body’s systems, or any mental or psychological disorder acquired as a result of illness, accident or birth.

A qualified individual with a disability is an individual with a disability whose experience, education, and/or training enable the person, with reasonable accommodation, to perform the essential functions of a job or to participate in an educational program.

A reasonable accommodation is the effort made to make adjustments for impairment by structuring the work or educational environment in a manner that will enable the disabled individual to perform the essential functions of a job or program. Reasonable accommodation includes, but is not limited to, modifying written examinations, making facilities accessible, adjusting work schedules, restructuring jobs, providing assistive devices or equipment, providing readers or interpreters, modifying work sites, and providing services, programs and activities offered in the facility to individuals with disabilities through alternative methods. Students who are in need of specialized personal care such as toileting, feeding, wheelchair pushing, medicating will be expected to have these needs provided by an agent or agency other than Western Technical College.

Undue hardship refers to any accommodation that would be unduly costly, extensive, substantial or disruptive, or that would fundamentally alter the nature or operation of Western Technical College.

D. A student or employee requesting special accommodations or services will be required to provide proof of the disabling condition(s) and limitations resulting from this condition(s).
III. Complaint/Appeal

A. Any student or employee has the right to file a complaint due to alleged failure by Western Technical College to provide requested reasonable accommodation. Individuals claiming they have been denied a requested accommodation under the American with Disabilities Act should file a failure to Provide Requested Accommodation Complaint Form with the Section 504 Coordinator. This form is available from the Section 504 Coordinator at the location listed in paragraph II.A.

B. NON-EMERGENT EXCUSED ABSENCE POLICY

Western considers certain class absences to be officially excused without jeopardizing student academic standing. Students shall be excused from classes for: mandatory religious observations, military service or requirements, VA appointments, jury duty, and participation in College sponsored events. Students shall not be penalized for excused absences and shall be allowed to make up missed quizzes or tests. Exceptions would include a class in which the nature of the class makes attendance and active student participation a mandatory requirement, such as: classes which have a state or accrediting agency requirement regarding minimum number of hours of instruction; seminars with frequent in-class student discussions; and/or classes, clinicals or labs with specific learning activities that cannot be made up with reasonable accommodations.

College sponsored events include, but may not be limited to, athletic or academic competitions, conference attendance, and events authorized by the Dean of Students or division offices.

In order to qualify for an excused absence, students will:
- Notify their instructor(s) of the conflict requiring the absence well in advance of the scheduled conflict
- Submit any homework or other projects due prior to the scheduled conflict
- Present a written statement signed by a responsible College official specifying the dates, times and nature of the activity that will require the student’s absence, if required by the instructor

An excused absence does not excuse the student from learning the course material, from submitting any required assignments, or from meeting any other course requirement.

If the student absence becomes excessive to the point of inability to complete the documented requirements of the course(s), students may be required to withdrawal, take an incomplete, or make alternative arrangements with the instructor(s).

Appeal

A student who believes his or her rights under this policy have been violated may appeal through the Student Grievance Procedure.
STUDENT RIGHTS AND RESPONSIBILITIES

SEXUAL ASSAULT INFORMATION

Western Technical College will not tolerate and prohibits sexual assault, sexual misconduct, and rape in any form. Western is committed to maintaining a positive teaching and learning environment that values all members of the college community. Below is information regarding the definition of sexual assault, how to report an assault, rights of victims of assault, and the College response.

What is Sexual Assault?

Sexual assault is any sexual intercourse or sexual contact with a person without that person’s consent. The degree of force used in the assault as well as other circumstances define whether an assault is considered first, second, third or fourth degree. First, second, and third-degree assaults are considered felonies. Fourth degree assault is a misdemeanor. Sexual intercourse includes anal, vaginal, or oral sex. Sexual assault can happen regardless of gender, relationship status or sexual orientation of those involved.

What is Consent?

Consent refers to words or overt actions by a person indicating a freely given agreement to have sexual intercourse or sexual contact. The following persons are presumed by law to be unable to provide consent:

• A person suffering from a mental illness or defect, which impairs capacity to appraise personal conduct
• A person who is unconscious or for any other reason is physically unable to communicate unwillingness to an act (example: an intoxicated individual)
• A person under the age of 18.

What to Do if Victim of Sexual Assault?

If you are sexually assaulted, it is important that you care for yourself in the manner that is best for you. For some, this means reporting the crime immediately and working to have the assailant brought to justice. Others prefer to seek medical and emotional care without reporting the assault as a crime. Regardless of your preference for self-care, these are three steps that everyone who has been sexually assaulted should follow:

1. Get prompt medical care prior to showering. Getting medical care and having a Sexual Assault Nurse Examination (SANE) does not mean that you have to report anything, but simply allows you to make your health a priority as well as collect evidence in case you ever want to report the assault and take action down the road.
2. Remember that the person assaulted is NOT at fault.
3. Obtain emotional support to help with healing and feeling safe.

IMPORTANT: Seeing a medical professional and/or having a forensic exam performed are separate from reporting to law enforcement. You can choose to have an exam done now and make a decision about reporting to authorities later. Some individuals choose to report to law enforcement immediately, some make the decision later, and some never report at all. Advocates and counselors are available on campus to assist you in your decision-making process and/or accompany you to the exam.
STUDENT RIGHTS AND RESPONSIBILITIES

Sexual Assault Nurse Exam (SANE)
Nurses specially trained in conducting forensic exams are available 24 hours a day at both Mayo Clinic Health System and Gundersen Health System in La Crosse. If you are unable to travel to either of these hospitals, you can call either hospital and they will be able to direct you to services in your area. Exams do not require insurance filing. Funds may be available to help cover the cost of an exam.

If you have the exam at one of the hospitals in La Crosse, a hospital advocate or counselor trained in the area of sexual assault will follow-up with you. This service is free of charge.

Mayo Clinic Health System: (608) 791-9720
Gundersen Health System: (608) 775-5950

Reporting Options:
In an effort to support individuals who have been assaulted, Western students are encouraged to disclose any sexual misconduct to the Title IX Coordinator, Shelley McNeely (Student Life Office, Room 100, 608-785-9880 or mcneelys@westerntc.edu calling, emailing or coming into the office to report in person, or by reporting to an instructor or Western staff person. The Title IX Coordinator will work with the reporting party to discuss options and rights.

Victims may choose for an investigation to be pursued through the criminal justice system and/or the College disciplinary procedure system, or make a private report to the College. A private report allows Western to ensure steps are taken to provide services and resources to the victim, as well as preserve the future safety of students and employees without pursuing formal criminal or student conduct action. If a student or employee does not choose to report to law enforcement or the College disciplinary process, the information will be kept confidential to the fullest extent permitted by law and policy.

Reporting to Law Enforcement
Victims can report the assault to law enforcement at any time. Western staff can assist a victim with reporting to law enforcement, if desired. The victim can report it before or after seeking medical attention and in many cases can talk to an officer during the process of the discussion with the SANE nurse. Victims do have positive experiences reporting to the police and it is recommended to have the support of a trusted friend or advocate. Assaults should be reported to the police agency that oversees the jurisdiction where the assault occurred. If you are unsure which agency that may be, you can call your local law enforcement agency and they can help direct you.

Reporting to the College
While reporting the assault to the College is optional, it is strongly encouraged in cases where the assailant is a Western student or staff member. It is also encouraged for assaults that happen on or near any of Western campuses. If a student or employee does choose to report a sexual assault, the information will be kept confidential to the fullest extent permitted by law and policy. The College will make every effort to balance privacy rights and the right to know when making decisions regarding what information to release to the campus community. A student or employee who reports a sexual assault will be provided with a written explanation of their rights and options.

Private Report
Even if the victim is not interested in pursuing college action, reporting the incident to the College is important. You can report anonymously. The purpose of a private report is to comply with the wish to keep the matter private, while taking steps to ensure the future safety of the victim and others as well as for statistical inclusion in the annual security report.

Victims have the option of pursuing college action through the Student Code of Conduct process if the assailant is another Western student. If the assailant is a staff member, the Title IX/Student Grievance process can be used to begin addressing the incident. Title IX Coordinator/Dean of Students: (608) 785-9880 in Kumm Center, room 100

Talking with a Counselor
Counselors are available free of charge on any Western campus. Our counselors are trained in addressing issues related to sexual assault and how it may impact one’s academic and personal life. Counselors can assist in helping the victim choose options, provide resources, assist with filling out forms, and provide advocacy.
Counseling Center: (608) 785-9585 or Welcome Center

Connecting with Resources
The Education, Prevention, and Connection (EPC) services can provide advocacy, education, and resources. EPC can assist in providing options, resources and referrals. The EPC will respect your decisions and can refer to a local advocate for advocacy services.
Education, Prevention, and Connection Specialist: email durninhooverl@westerntc.edu or (608) 785-9446.

Rights of Sexual Assault Victim
All reports of sexual assault will be treated seriously with dignity and respect. Victims will be informed of their options and be allowed to choose the course of action(s) with which they feel most comfortable. Victims will have the opportunity to request immediate on-campus housing relocation, transfer of classes, or other steps to prevent unnecessary or unwanted contact or proximity to an alleged assailant when reasonably available. Students initiating any college complaint procedure shall be free of any retaliation from any faculty, staff person, or student. In the event of Student Conduct proceedings, the victim has the right to be present throughout the entire hearing process except during panel deliberations, to be accompanied by an advisor of choice, to have reasonable accommodations made when providing information to limit the unnecessary or unwanted contact with the alleged violator, and to hear the outcome of the hearing including any sanctions imposed.

Preventative Behaviors
• Discuss sexual expectations with your partner. Sex without mutual consent is sexual assault.
• Use clear communication. Interpreting friendliness as an invitation or assuming your friend feels the same way can lead to unwanted sexual contact.
• Be aware of the impact of alcohol and other drugs have on your judgment and that of your friend/date. Although alcohol and drugs does not cause sexual assault, it frequently plays a secondary role in assault and other violent crimes.
• Be alert and aware of your immediate surroundings. Notice people, lighting, and access to phones and exits.
• Be willing to speak up or respond in some way if you feel threatened, frightened or uncomfortable. Listen to and act upon your feelings and instincts.

Sexual Offender Registration
The Campus Sex Crimes Prevention Act (section 1601 of Public Law 106-386) is a federal law enacted in 2000 that provides for the registration and notification of convicted sex offenders enrolled at or employed by institutions of higher education. As provided in the Wetterling Act (amended by the CSCPA), any person required to register as part of a state sex offender registration program must notify the state regarding each institution of higher education in which the person is an employee or student. Sex offender information in the State of Wisconsin is compiled by the Department of Corrections (DOC).
To learn the identity of registered sex offenders on or near campus, or anywhere in Wisconsin, visit http://offender.doc.state.wi.us/public/
in Minnesota, visit https://coms.doc.state.mn.us/Level3/Search.asp
in Iowa visit http://www.iowasexoffender.com/.
Registered sex offenders, who are students at Western, are obligated to notify the Dean of Students (Kumm Center, Room 100) that they are attending a class or a program at the college and are registered with the Wisconsin Department of Corrections. Failure to notify the college is deemed to be a violation of the Student Code of Conduct and is subject to possible conduct sanctions. A student is defined as any person who attends and/or is enrolled in any classes or program at the College.

Western will publish the link to the website to share information about registered sexual offenders reported to Western as being enrolled, or employed at the College. This information is provided to the College by local law enforcement. The College does not independently verify sex offender registration information, nor is it responsible for its accuracy. Unlawful use of the information for purposes of intimidation or harassment is prohibited.

When notified by local law enforcement, Western Technical College has established the following procedures for notifying the campus community about sex offenders on any campus/location depending on the established offender risk level. (*See the link below to learn more about the three offender risk levels.)

1. The Western Security Manager will coordinate with local law enforcement personnel to ensure that the College has relevant and current sex offender information.
2. The Western CARE Team will review all relevant and necessary information provided by law enforcement personnel to assess any safety issues posed for the college community.
3. The Western CARE Team will determine the level of notification to be released to members of the college community. The College will follow the same notification level utilized by local law enforcement based on level of concern for community safety.

*Wisconsin Department of Corrections Sex Offender Registry: In addition to allowing citizens to search for information on those who may be registered offenders, this site explains the Registry, Sex Offender Program and risk levels.

Upstander Intervention
Upstander intervention encourages all members of the Western community to recognize, intervene, prevent and/or stop any inappropriate comments, actions or behaviors related to sexual assault, sexual misconduct, relationship violence and/or stalking. As an upstander, it is important to:

• Notice the incident or event – educate yourself about issues related to sexual assault, relationship violence and stalking in order to be aware of the behaviors and educate others
• Evaluate the situation – determine whether it is an emergency or at least a situation where someone needs immediate assistance
• Intervene – give help at an appropriate and safe level. Others are more likely to help when they see others helping as well. Don’t assume someone else will take care of it.
• Ways to help – help the person leave the situation, redirect the focus somewhere else, confront the behavior, engage a conversation, or call for other support/security/law enforcement
STUDENT RIGHTS AND RESPONSIBILITIES

Tips for Intervening:
• Approach in a friendly, non-confrontational manner
• Avoid using violence
• Be honest and direct whenever possible
• Recruit help if necessary
• Keep yourself safe
• Contact police if things get out of hand or become too serious

When a student believes they have been subjected to unfair and improper action or denied their rights by a member of the Western community (as defined by any person employed by the district), they may utilize the Student Grievance Procedure to address the concerns. Students initiating a Student Grievance Procedure shall be free of any retaliation from any faculty or staff person.

In situations where the concern is related to grading, the student must utilize the Grade Appeal Procedure for resolution.

In situations where the concern is related to harassment, sexual harassment or misconduct, or discrimination based on gender, the student should immediately contact the Dean of Students/Title IX Coordinator to initiate the process.

Grounds for a Student Grievance may include, but are not limited to: allegations of sexual harassment or misconduct, allegations of intimidation or harassment, acts or threats of physical aggression, disregard of due process as it relates to arbitrary actions or imposition of sanctions, violation of student rights and responsibilities, and grievances under Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, which prohibit discrimination on the basis of race, color, national origin, sex or disability by federally funded education institutions.
STUDENT RIGHTS AND RESPONSIBILITIES

Throughout all levels of the Student Grievance Procedure, confidentiality will be maintained through all reasonable efforts. Any party involved in the resolution of a grievance may consult with the Dean of Students regarding the procedure and may bring a support person to any meeting as an observer. The observer shall have a non-speaking role which is defined as having the ability to provide advice and support directly to the person being supported, and not advocating on the person’s behalf to any other involved parties.

Definitions:

Business days – weekdays that the college administrative offices are open. Respondent – The staff or faculty member directly involved in the grieved incident.

Retaliation – Any unfavorable action taken or condition created against a person for filing a grievance or participating in an investigation of a grievance.

Informal Level:

Prior to the filing of a formal written grievance, with the exception of sexual harassment or misconduct concerns, a reasonable effort should be made to address the concern amicably in an informal manner. Students are encouraged to meet with the subject of the grievance to attempt to resolve the conflict through open and cooperative communication. The student may request a meeting with the respondent and/or the respondent’s direct supervisor to resolve the concern. Every reasonable effort should be made by all parties to resolve the complaint. This meeting is at the option of the student and shall not be a pre-condition for submission of a formal written grievance. If the informal process does not result in resolution of the grievance, the student may proceed to the formal grievance procedure.

Formal Level:

A formal written grievance may be filed by the student within 30 business days of the occurrence of the alleged grievance (unless specific statute allows for longer reporting period). The formal grievance procedure begins when a written grievance is submitted through the online Feedback forms located on the Western website under the Student Rights and Concerns page. The written grievance must include a summary of what is being grieved, what steps the student has taken up to this point, and what resolution the student desires. The written grievance and any supporting documents should be submitted via the Feedback Form or to the Dean of Students or designee.

Upon receipt of the completed grievance, the Dean of Students will review the grievance and conduct an initial investigation to determine validity of the grievance and the desired resolution. Issues which have a separate process for resolution (ex. student conduct sanctions, financial aid, academic grades, etc.) are not grievable, and students must utilize that specific process. Grievances determined to be without foundation, frivolous, or filed for purposes of harassment will be dismissed after appropriate investigation. Once a grievance is determined to be valid, the Dean of Students will refer the grievance to the supervisor of the responding party for formal investigation and resolution. In cases where the grievance involves the Dean of Students, the grievance will be referred to the Vice President for Student Service and Engagement for validation and facilitation of the grievance process.

Upon receiving the grievance, the respondent’s supervisor shall investigate the grievance and make a decision. The supervisor shall submit his or her written response to the student and Dean of Students within fifteen (15) business days. If the grievance is not resolved to the satisfaction of the student, he or she may appeal the decision to the Student Grievance Committee. The student must submit a written appeal to the Dean of Students within ten (10) business days of receiving the decision. The appeal will be decided entirely on the documents provided by the student and the investigating supervisor, therefore both parties must ensure that all relevant documents are submitted to the Dean of Students.
The Student Grievance Committee will be assembled within ten (10) business days by the Dean of Students or designee, and will be composed of an academic administrator, and two additional non-biased Western staff members. The student may request that one member of the Student Grievance Committee be a student representative.

The Dean of Students will provide the committee members with copies of the appeal, grievance, responses and all relevant supporting documentation. The committee will review the appeal, may choose to meet with the student and/or other involved parties, and will submit the written decision to all involved parties within ten (10) business days. No final review shall be permitted unless specific allegations are set forth in the appeal alleging a lack of due process or other specific error or omission. The final review is limited to issues that were raised in the appeal. No new information or statements shall be introduced for the first time for final review.

The appealing party shall file with the Office of the President the request for a final review, setting forth with specificity the grounds on which the request is based. The final review request shall bear the original signature of the appealing party and shall be filed with the Office of the President within ten (10) business days of the date the committee decision was delivered or was postmarked if served by mail. The final review shall be decided by the president or designee no later than thirty (30) days after receipt of the request. Within this timeframe, the president or designee shall issue a written decision accepting, modifying or rejecting the committee’s decision.

The decision of the president or designee shall be final unless the grievance is an allegation of discrimination and the student is unsatisfied with the final review decision of the president. In such circumstances only, the student can appeal to the Western District Board. Written intent to appeal to the District Board must be received by the Office of the President within five (5) business days of receipt of final review decision.

Anyone who believes that the College did not follow the established grievance process or has discriminated against him or her on the basis of race, color, sex, national origin, age or disability, may file a complaint with the Office of Civil Rights. The College is committed to providing an educational and work environment free from all forms of harassment, including sexual harassment, and does not condone any harassment by or of its students, employees or others. Any student who engages in such conduct will be subject to disciplinary action appropriate to the particular facts involved.

Harassment includes verbal or physical conduct that shows hostility, threat or aversion including, but not limited to, epithets, slurs, negative stereotyping, threatening or intimidating acts, written or graphic materials that denigrate or show hostility towards an individual because of his or her age, race, creed, color, disability, marital status, sex, national origin, ancestry, sexual orientation, arrest or conviction record, religion, military service, or other protected status.

**Sexual Harassment**

Sexual harassment is defined as unwelcome conduct of a sexual nature that limits or denies a person’s ability to participate in or benefit from the educational and/or work environment. Unwelcome behavior of a sexual nature includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when:

• Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or educational status or opportunity.

• Submission to or rejection of such conduct is used as the basis for employment or educational decisions affecting that individual.

• Such conduct has the purpose or effect of unreasonably interfering with an individual’s educational experience, or creates an intimidating, hostile or offensive work or learning environment.
Prohibited behavior includes, but is not limited to:

- Written contact, such as sexually suggestive or obscene letters, emails, texts, or messages.
- Verbal harassment including making sexual comments about a person’s clothing, body or sexual activities; telling sexual jokes or stories; sexual innuendos; whistling; asking or telling about sexual fantasies; obscene gestures; or using demeaning or offensive terms.
- Physical contact such as intentional touching, pinching, brushing against another person, impeding or blocking movement, sexual assault, coercing or touching oneself in a sexual manner in front of another person.
- Non-verbal harassment such as leering or staring at another’s body, or gesturing or displaying sexually suggestive objects or pictures.

Students are encouraged to report any incident of harassment or sexual harassment. Contact the Student Life Office (Kumm Center, room 100) or any faculty/staff member to report concerns. Harassment or sexual harassment based on gender or sex should be reported to the Title IX Coordinator. The Title IX Coordinator is the Dean of Students Shelley McNeely, at (608) 785-9880 or mcneelys@westerntc.edu.

TITLE IX/PREGNANCY AND CHILDBIRTH RELATED CONCERNS

Title IX prohibits discrimination based on sex. This includes pregnancy, parenting, and all related conditions, such as abortion or miscarriage. Students who are pregnant or parenting must have access to all of the same educational opportunities that any other student would have. If the student is in need of an accommodation due to pregnancy, parental status, or a temporary medical condition associated with pregnancy, the student is encouraged to disclose the need to any Western employee. Western will excuse student absences due to pregnancy, childbirth, or pregnancy related conditions for as long as the student’s doctor deems medically necessary. For more information related to pregnancy, childbirth or pregnancy related conditions accommodations, please contact Shelley McNeely, Dean of Students/Title IX Coordinator at 608-0785-9880, in Kumm Center Room 100 on the La Crosse Campus, or mcneelys@westerntc.edu.

TITLE IX/SEX DISCRIMINATION

Title IX of the Education Amendments of 1972 protects people from discrimination based on sex in educational programs or activities at any college that receives federal financial assistance. Gender-based misconduct includes, but is not limited to, sexual assault, sexual exploitation, sexual harassment, stalking, dating violence, domestic violence, hostile environment, differential treatment or denial of ability to participate in or benefit from services, programs or activities of an individual or group based on sex.
